## The Editor and the Ashburian Committee

present their Compliments to all  
Readers of

### "The Ashburian"

in Canada, the British Isles,  
New Zealand, and Ceylon;

and wish them  
a very Happy Christmas  
and much Prosperity in

1932

### SCHOOL NOTES

We were all very sorry to hear of the accident which befell Mr. Hedley Bridge in the second week of the Summer Holidays. He was knocked down by a train entering Arnprior Station and sustained serious injuries, which necessitated fourteen weeks "sojourn" in the Water St. Hospital. While there, he was delighted to see many of the Staff and Boys who visited him. He has now returned to Arnprior and is steadily making a complete recovery.

---

Mr. Wright has succeeded Mr. Bridge as Organist. He is taking an immense interest in the singing, the good results of which are already apparent.

---

We extend a very hearty welcome to the following gentlemen, who joined the staff this term:—The Rev. J. R. Allen, Mr. G. Morris, Mr. J. W. Johnson and Mr. K. B. G. Cossar.

The Rev. James R. Allen was educated at Wingham High School, University of Western Ontario; also at Huron College, London, Ont., and at the General Theological Seminary, New York City. He was formerly Assistant Priest at Christ Church Cathedral, Ottawa.

Mr. Gwyn Morris, B. A., LL.B.; Honours in Economics, History and Law, was educated at Westminster School, London, and Downing College, Cambridge. He was Assistant Master at Herne Bay College, Kent, for four years, and at Denstone College, Staffs. He is a Barrister-at-Law, Lincoln's Inn, London.

Mr. J. W. Johnson, B. Sc., Toronto, and Research Diploma, Oxford, for Forestry. He was educated at McGill and Toronto Universities. As the 1928 I.O.D.E. Scholar for Ontario, he then did post-graduate work at the Imperial Forestry Institute, Oxford University. Returning to Canada, he spent two years with the Research Division, Dominion Forest Service. At Toronto he was President of the University English Rugby Football Club. He served with the B.E.F. (1914-1919).

Mr. K. B. G. Cossar, B.A. (2nd Class) Honours Hist. Trip., was educated at Haileybury College and Fitzwilliam House, Cambridge. He taught for two years at Cambusdoon School, Alloway, Scotland, and was in charge of the games. He holds the Silver Medallion for swimming and life-saving.

The Rev. J. H. Dixon was the Preacher at the Closing Service held in the School Chapel on Sunday, June 7th. There was a large congregation.

---

General approval of the new School tie has been expressed on all sides. The colours are truly Ashburian. They were fashioned and made by Messrs. J. J. Jackman.

---

In the O .V. C. C. bowling averages for the cricket season of 1931, Mr. F. E. B. Whitfield stands 8th in the list with an average of 11.2.

---

Mr. Howis had the privilege of playing the organ in the small Church at Marshall's Bay, Ont., during the Summer Season.

---

A new Electric Clock has been installed near the main corridor. This also rings the thirty odd bell-calls during the day. It has already proved a great boon.

---

A special Service was held in the Chapel on Nov. 11th—Remembrance Day—at 10.40 a.m. The Headmaster read out the List of Ashburians who gave their lives for their Country in the War, and also preached the Sermon. The Service was largely attended.

In the afternoon the Junior School was taken to see the patriotic war film, "Tell England", at the Regent Theatre.

---

The Annual Donation to the May Court Club amounted to \$47.02, and to the Ottawa Welfare Bureau, \$36.50.

---

The School was given an "Exeat" for Thanksgiving from Sat., Oct. 12th, till the afternoon of Tuesday, Oct. 15th.

---

New Shower-baths for the use of the Junior School were installed during the Summer Holidays. A large room in the Basement has been converted into a play room where a full-sized Ping-Pong Table has been placed. A second bicycle-shed has also been added.

---

The following Old Boys have visited the School this term:—Hugh Cann, Donald McLachlan, Peter Smellie, Blair Gilmour, Adam Fauquier, Murray Turner, R. Wodehouse, A. MacCarthy,

Lou Bates, Ronald Leathem, John Guthrie, W. Bell, Ned Elwood, P. S. Brown, F. Hart, Douglas Cowans, G. Perodeau, Fraser Coristine, C. Brock Grier, W. G. Ross, Desmond Harvey, J. Bedell Hamilton, Hugh Powell.

---

Our new Caricaturist is R. S. Hyndman, whom we have to thank for the Drawings in this number.

---

#### BIRTH.

To Mr. and Mrs. W. H. Brodie, a son (William Woollcombe) on August 25th.

---

#### MARRIAGE.

On August 25th, at Chelsea, London, England; The Rev. H. N. Myers, our late House-Master, to Miss Beryl Couper, late Senior Assistant Teacher at Dunham School, Cowansville, Que.

The School offers its heartiest congratulations and all good wishes for their future happiness. We append their address: All Saint's Vicarage, Roberttown, Liversedge, Yorks, England.

#### DEATH.

By the death of Mr. J. Edgar Birch, on Friday, Oct. 23rd, the School sustained a sad loss, and its deepest sympathy goes out to the surviving members of the family in their bereavement.

Mr. Birch was one of the outstanding and most talented musicians of Ottawa. He had been director of musical studies at Ashbury for over 20 years, and had recently completed twenty-one years service as Organist and Choirmaster at St. Andrew's Church. Previously he had held positions as organist at Trinity College School, Port Hope; at Christ Church Cathedral, Montreal, and also at All Saint's Church and St. George's Church in Ottawa. He also organized and directed the Ottawa Choral Society. As a boy, he sang in St. George's Chapel, Windsor, England.

Many past and present Ashburians owe their musical ability to Mr. Birch's tuition, and his death is a very definite loss not only to Ashbury, but to Ottawa as well. He was 65 years old.

The funeral service was held on Monday, Oct. 26th, and Mr. Birch was laid to rest by the Headmaster and the Rev. W. H. Leathem, in the presence of a large concourse of friends.

A Memorial Service was held in the School Chapel on All Saints Day, Sunday, Nov. 1st, at 7.00 p.m. Special Hymns were sung, and the Rev. J. R. Allen conducted the Service. Mr. W. H. Brodie read the special lessons and an eloquent and moving sermon was preached by the Headmaster, in which he stressed Mr. Birch's splendid character and brilliant attainments.

---

### OLD BOYS' NEWS

Joe Irwin is now putting in his 3rd year at R. M. C. We hear he is playing good Football and Hockey again.

---

John Ewart is getting ready for taking Commerce course at Queens next year.

---

Barnet Carswell is taking a Bachelor of Commerce course at McGill.

---

Kingsley Ault is an Accountant with the Sun Life Co. Among other activities, he is a captain in the Ottawa machine gun battery, and contributes articles on fire arms for several magazines.

---

Geof. Heney is an Electrical Engineer with the Westinghouse Co. and lives at 56 Ackman Ave., Hamilton. Geof is now the proud father of two children.

---

Guy Rhoades is working in the Canadian Press Office at 272 Bold St., Toronto.

---

G. R. Forbes is in his 3rd year at McGill—Commerce and Finance.

---

Blair L. Gilmour played Flying Wing for the Ottawa Rough Riders this fall.

---

Allan Gill (1895) is President of Gill, Welch & Mulligan, Ottawa.

Don Bremner was married on Nov. 4th to Miss Marian Coulson. They spent the honeymoon in the south of France.

---

Capt. Stuart Bate last August piloted "Pickpocket" to victory at Blue Bonnets in the special one mile military race. He belongs to the Royal Dragoons.

---

Leo Palmer is with William Hamilton Ltd., Montreal. In addition to a son, 6 years old, Leo also has a daughter a year old.

---

Lou Bates was chosen to represent the All Star Amateur Hockey team that will tour Europe for six weeks. He also played Rugby this Fall with the Ottawa Rangers.

---

Adam Fauquier is with Jones and Heward, Stock-brokers, in Montreal.

---

N.B.—Will all Old Boys who have changed their address or who contemplate doing so, kindly advise the Editor or the Treasurer, Mr. W. H. Hewitt, 209 Carling Avenue, Ottawa.

The Athletic Sports were held on Closing Day, Wednesday, June 10th.

Once more we were favoured with the weather which helped to make the meeting an enjoyable one, both for spectators and competitors. There was a large number of Old Boys present and we are always very glad to welcome them on this, as on other occasions.

The meeting was graced by the presence of His Excellency, the Governor-General, who very kindly consented to give away the prizes. In the course of a very felicitous speech he stressed the great importance in this country of being able to speak French as well as English, and confessed that he owed his greatest happiness in life to the fact that he had been made to learn that language.

Turning to the detailed results, three records were broken this year, which is a very healthy sign. Among them, Smellie broke his own record of the previous year in the Open High Jump, which is particularly meritorious in that it breaks the Dominion Inter-collegiate Intermediate Record. In the Intermediate events, J. B. Allen broke the record for the 100 yards, accomplishing the distance in 11 seconds, and D. Thompson easily passed the record in the 120 Yards Hurdles, as he returned a time of 17  $\frac{1}{5}$  seconds.

The Inter-House Tug of War was again won by Ottawa and the House Relay went to Ottawa as well.

The Norman Wilson shield, awarded to the House winning the highest number of points in Games throughout the year, was won by Montreal.

The Senior Challenge Cup, the Fleming, was won by Perodeau. The Intermediate, the Stanley Wright, went to Calder, while the Aylwin Cup, emblematic of the Junior Championship, was awarded jointly to J. Stannard and Yuile.

## SENIOR SPORTS

100 Yards—G. Perodeau, 11  $\frac{2}{5}$  sec.

Long Jump—J. Calder, 18 ft. 3  $\frac{1}{2}$  in.

120 Yards Hurdles—G. Perodeau, 16 sec.

440 Yards—G. Perodeau, 59 sec.

High Jump—P. Smellie, 5 ft. 7  $\frac{3}{4}$  in.

220 Yards—G. Perodeau, 25 sec.

880 Yards (Beardmore Cup)—1. H. Powell; 2. F. Sherwood;  
3. E. Sherwood.

Throwing the Cricket Ball—N. B. Gillies, 87 yds. 3 inches.

Relay Race—Ottawa.

Tug of War—Ottawa.

Obstacle Race—1. F. Heubach; 2. E. C. Elwood.

Old Boys' Race—1. J. Irvin; 2. A. Clarke.

## INTERMEDIATE SPORTS

High Jump—T. Little 4 ft. 11  $\frac{1}{2}$  in. 2nd. D. Fauquier.

440 Yards hdcp.—J. B. Allen; 2nd. H. Powell.

100 Yards—J. B. Allen, 11 sec.; 2nd. J. Calder.

120 Yards Hurdles—D. Thompson, 17  $\frac{1}{5}$  sec.; 2nd. J. Calder.

## JUNIOR SPORTS

100 Yards—J. Stannard 12  $\frac{1}{5}$  sec. 2nd. McCormick.

High Jump—Yuile, 4 ft.  $\frac{1}{2}$  in. 2nd H. Powell.

220 Yards Hdcp.—J. Stannard; 2nd. W. Grant.

Obstacle Race—R. Davidson; 2nd. W. MacBrien.

It should be mentioned as worthy of note that Gillies won the Cricket ball despite the fact that he was on crutches at the time.

F. E. B. W.

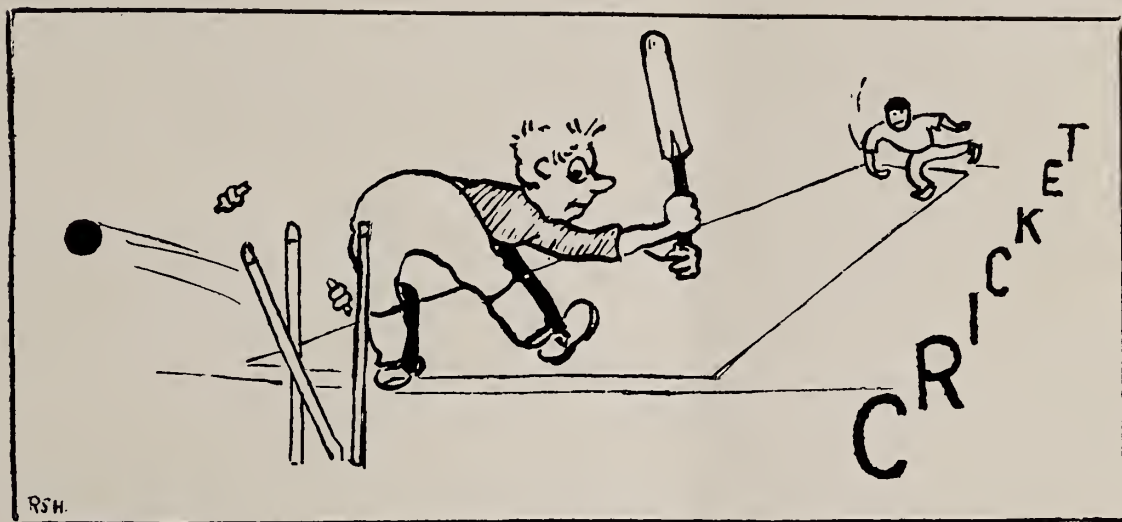

---

1st XI CRICKET, 1931.

J. Symington; T. W. Beauclerk; F. Coristine; L. Schlemm; F. Heubach; D. Fauquier; R. L. Stanfield;  
N. B. Gillies; P. B. Smellie; E. C. Elwood, (capt.); G. Perodeau, F. B. Robertson.

### 1st XI COLOURS :—

E. C. Elwood (capt.), P. B. Smellie (vice-capt.), G. R. Perodeau, F. B. Robinson, N. B. Gillies, L. Schlemm, T. W. Beauclerk, D. Fauquier, F. Coristine.

Cricket practice began directly School reopened for the Summer Term, as a very early spring made it possible to use the ground at once. Unfortunately the weather turned cold again and we were held up for nearly a fortnight. The weather continued uncertain during the early part of the term and in two matches, including that against S. Andrews, not a ball could be bowled.

In the School matches Ashbury did quite well; Bishop's College were beaten decisively and after a most exciting game with Lower Canada College we were two runs short of victory, with our last two batsmen together, when time was called.

It was not found possible to arrange a tour against any of the Toronto Schools this year, but we hope to be able to make the trip again next summer.

The Old Boys' match proved a very enjoyable fixture and this year the School had to acknowledge defeat.

### CRICKET CHARACTERS 1931.

E. C. Elwood, Captain. 4th year on the team. A sound captain who displayed great keenness both on and off the field. A reliable wicket keeper who never gets flurried. His batting was disappointing as he has many scoring strokes, and there is no doubt that the cares of office affected him adversely in this respect.

- P. B. Smellie, Vice-captain. 5th year on the team. A steady medium paced bowler who always set his field intelligently. Much more accurate than he was last year. A forceful bat with several good scoring strokes; rather inclined to mistime balls on his off stump. A brilliant field and a safe catch.
- G. R. Perodeau. 2nd year on team. A little disappointing as a bat for he did not take full advantage of his height and reach. Has a good straight drive, but was too apt to change his mind when making his off shots. Strong on the leg side. A sound field in any position and a safe catch.
- F. B. Robinson. 2nd year on team. A very quick fieldsman on the off side who held everything within reach. Has some good shots on the off; pulled anything short of a length with great certainty. Too impetuous at the beginning of his innings, but may develop considerably when he has learned a little more restraint.
- N. B. Gillies. 2nd year on the team. A very sound medium paced spin bowler who flighted the ball cleverly; not afraid to try experiments and never minded being hit. A very sure catch in the deep field and his returns were always powerful and accurate. A stone waller who was difficult to dislodge, but rather deficient in scoring strokes. Very quick between wickets and a very good judge of a run.
- L. Schlemm. 1st year on the team. An accurate slow medium bowler, with a pronounced in swing at the end of his flight. Always kept a good length and fielded well to his own bowling. Improved considerably as a bat during the season and has several good shots, but at present lacks experience. A fair field who was sometimes very good.
- T. W. Beauclerk. 1st year on the team. A left handed batsman of considerable promise. Strong on the leg side; has an excellent cover drive which he has learned to keep down. A quick and sure field. If he takes pains he should develop into a really sound opening batsman next year.
- D. Fauquier. 1st year on the team. As a batsman he lacks experience, but as his defence is good he should develop next year and prove of considerable value to the team. A slow medium bowler with some command of length, but his bowling at present lacks sting. Should cultivate finger spin. A good field.

- F. Coristine. 1st year on the team. Came into the side half way through the season and improved steadily with each game. A natural hitter, he still needs discretion in picking out the right ball to hit. A useful change bowler who sometimes swung the ball appreciably. A fair field.
- J. S. Galt. 1st year on the team. A useful defensive batsman, who should develop considerably next year. A safe catch and accurate in the field. A useful spare wicket keeper.
- J. Symington. 1st year on the team. Has a very good eye but at present is too apt to try and pull a good length ball. Hits well to leg and may be useful next year if he will learn to concentrate. A good catch but not sufficiently alert in the field.
- F. Heubach. 1st year on the team. Did not maintain the promise he showed last year and, in consequence, lost his place on the team in the early part of the season. Has a good drive but his timing is uncertain. An indifferent field.
- R. Stanfield. 1st year on the team. Came into the side late in the season. Showed some ability as a defensive batsman. With his capacity for taking pains may prove useful next year. Good in the field.

F.E.B.W.

## ASHBURY vs. THE MASTERS

Played at Ashbury on May 20th.

## Bowling Analysis

C. W. Thompson, 6 for 35; Wright, 1 for 14; Whitfield, 1 for 22.

THE OLD BOYS' CRICKET MATCH

The game was played on June 6th and proved a most enjoyable fixture.

Ted Lyman again collected the Old Boys' side and this year he brought up a team, which was strong enough to win a decisive victory. We hope that this match will now become an annual fixture and we look forward to turning the tables next summer. Beauclerk batted in very good style for the School, but no one else except Coristine did very much. Of the Old Boys, Bonnar, Pacaud and Lyman batted very soundly, and a last wicket stand realized twenty runs. Schlemm bowled well for Ashbury and mention should be made of Perodeau's work in the field at deep mid wicket.

ASHBURY COLLEGE vs. THE OLD BOYS

Won by the Old Boys by 74 runs.

ASHBURY vs. BISHOP'S COLLEGE SCHOOL

Played on the McGill Campus, May 26th.

Ashbury won the toss and batted first. The side started scoring at a very fast rate, but wickets fell regularly in the process. Of the earlier batsmen, Robinson made some beautiful off shots and was playing with confidence when he was clean bowled by Bassett at 66. Schlemm started well but was caught off a half hit and, with Coristine bowled for a single, seven wickets were down for 86. At this stage Fauquier joined Galt and an excellent stand followed. Both men were very quick between wickets and when the lunch interval arrived they had increased the score by 52, and were still undefeated, with the total standing at 138 for seven. Galt started

rather scratchily for the first over or two, but soon settled down to a strong defensive game, and was content to keep his end up while his partner scored the runs. His first eighteen runs were all singles. Soon after the resumption Fauquier was bowled for a valuable innings of 31, which included four fours. Beauclerk joined Galt and another good partnership ensued, realizing forty runs before Beauclerk was bowled. He had batted very well indeed for a number 10, and his score included five fours, all of which were well timed cover drives which went to the boundary with great speed. The innings finally concluded for 182, which was quite a good score under the circumstances, as the last three wickets added ninety-three runs. Galt carried out his bat for a valuable 34. Grant with 5 for sixty was the most successful Bishop's bowler.

Bishop's started in confident style and were helped by the fact that for the first few overs the Ashbury bowlers failed to find a length. With the score at 29 Wilson was held by Galt off Gillies. Grant and Luther batted steadily but found runs difficult to obtain as Gillies and Smellie were now bowling well. At 41 Symington took a sharp catch at point to dispose of Grant. Luther and Glass took the score to 57, but from that point wickets fell rapidly, the last seven only adding 24 to the total. The innings closed for eighty-one, leaving Ashbury winners by 101 runs. Gillies, after his first two or three overs bowled very well indeed, securing six wickets for 32 runs. He mixed his deliveries well and was never afraid to experiment.

Ashbury batted again and in the time available scored 153 for eight wickets, Coristine being top scorer with a hard hit innings of 41. Symington, Beauclerk, Fauquier and Schlemm all batted well.

#### ASHBURY vs. BISHOP'S COLLEGE SCHOOL C. C.

Played on the McGill Campus, May 26th.

Won by Ashbury by 101 runs.

Schlemm, 1 for 15.

ASHBURY COLLEGE vs. LOWER CANADA COLLEGE C. C.  
Played in Montreal, May 30th.

Lower Canada won the toss and took first innings. Ashbury at once met with success as Smellie clean bowled Bailey with the first ball of the game. Smith left at 16, but Stevenson commenced to hit and was beginning to look dangerous when Schlemm hit the top of his middle stump with a good length ball. Campbell and Roncarelli made an effective stand and took the score to 59 before they were parted. Most of the remaining batsmen added materially to the score, and the innings eventually realized 124. Smellie and Schlemm both bowled very steadily, but there is no doubt that the loss of Gillies was severely felt, as neither of the regular bowlers could be rested sufficiently.

Ashbury started badly, losing their first four wickets for 17 runs, and never recovered from their start. Perodeau made one or two good hits, but the rest of the side collapsed against some steady bowling which was very well handled. Lower Canada held all their catches, but far too many wickets were thrown away through half hearted attempts to hit.

Leading by 71 runs Lower Canada started their second innings in a strong position. The game, however, quickly underwent a startling change. Realising that their only chance lay in getting Lower Canada out quickly for a small score, Ashbury set about their task in no uncertain fashion. Smellie and Schlemm bowled splendidly and were generously supported in the field, and in a very short time the whole side was dismissed for 27 runs. Smellie bowled his fastest, and his pace and Schlemm's length and flight seemed to demoralise their opponents.

Ashbury were thus left with 99 runs to win and with about 75 minutes in which to obtain them. Elwood and Smellie started very quickly scoring 19 runs in five minutes, before the former was run out. Two more wickets fell very cheaply, but Perodeau and Schlemm brought the score to 48, when the former was bowled. Schlemm and Beauclerk added another twenty for the next wicket, still keeping the rate of scoring a little ahead of the clock. After the fall of this wicket the rate rather slackened, but Beauclerk continued to bat with great skill till he was bowled with the score standing at 89. Symington, who had been keeping his end up, now made a great effort to hit off the remaining runs, but he was bowled at 96, and the last two batsmen were together with three runs still required for victory. Amid great excitement the score board showed that the necessary runs had been obtained in the last over. Time was called at the end of the over, but when the scores were checked up immediately after the game, it was dis-

covered that an error had been made on the scoring board, and that Ashbury were still two runs short of victory, so the game went to Lower Canada as they were ahead on the first innings. It seems rather a pity under the circumstances that it was not possible to continue the game for another over or so, but it was a match that could not possibly leave any regrets behind it, with honours more or less even. Ashbury certainly fought back with great spirit in the second innings, and they owed not a little to the leadership which Elwood displayed.

## HOUSE MATCHES

In the first round, played on May 14th, Dominion beat Ottawa. The game was notable for an excellent innings of 83, played by Smellie for Ottawa.

In the final, played on June 2nd, Montreal beat Dominion. Symington played a good innings for the winners, scoring 56 not out.

F. E. B. W.

## INTERMEDIATE CRICKET

Some promising Cricket was seen during the short Summer season and the keenness, especially towards the end, was very pronounced. McCarthy, (who gained his 2nd Eleven Colors), Wilson I. and Wodehouse, should all "make good" next year, when promoted to the 1st eleven. Davidson II. will make a useful bowler. Rowley and Coristine are far too erratic at present and each must learn to control the ball. Much was learned in the all-important art of backing-up, both when batting and fielding.

One match was played against a somewhat strong Cathedral Eleven on May 30th. It was a story of dropped catches and lost balls. MacCarthy's wicket keeping was excellent and Coristine batted well. Wilson I. and Davidson II. were the most successful bowlers.

A match was arranged v. L. C. C. but rain and cold wind prevented a ball being bowled.

B. K. T. H.

---

TENNIS

The Singles Championship was won by J. Symington. The Doubles by R. L. Stanfield and T. Beauclerk.

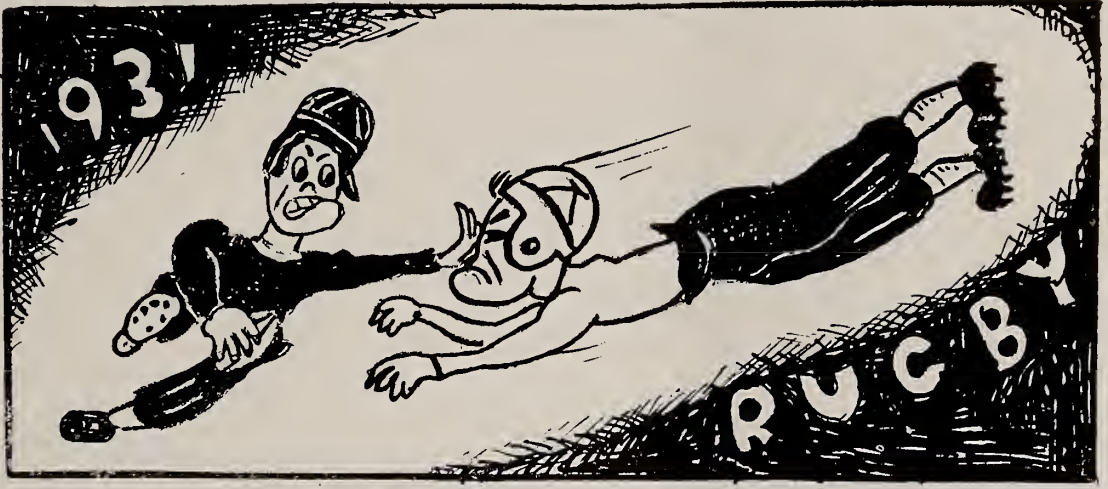

---

SONNET

*On reading Horace, Odes, 1.ix.*

Of old when Horace, looking north from Rome,  
Gazed at Soracte gleaming cold and white,  
And shivered at the north wind's sudden bite,  
Pulling his toga close, he thought of home,  
Of blazing logs, of laughing leaping flame  
That lent Falernian wine a brighter glow,  
Of whispers soft, a girl's inviting "No"  
To kiss or forfeit snatched in winter game.

We too look north from Ottawa and see  
King's Mountain loom against the gray, cold sky,  
His early whiteness a glad prophecy  
Of that crisp snow that over all will lie.  
But not to us come thoughts of warmth and ease—  
We welcome ice and snow with skates and skis.

The Football season has proved rather disappointing as the team never really got together as a side. An unprecedented number of injuries made team building a task of some difficulty, and the continual shuffling of positions, necessitated by this state of affairs, proved very unsettling. We were never able to turn out a full side, so it is a little difficult to say what the team might have achieved, had it not been continually upset. They were capable of playing good football as they showed in the game with B.C.S. They were beaten on that occasion by a very good school side but the game was closer than the score would suggest.

It was discouraging to go through the season without recording a single win, but the side was a young one, and with most of them back next year, the experience gained this season should prove invaluable.

One noticeable feature of recent Ashbury teams has been a marked slowness in getting down on kicks, and this is a fault which should be remedied in the early stages of practice next year.

It is perhaps too early yet to estimate the effect of the forward pass on School football but it seems probable that the team that is prepared to exploit it thoroughly will have a distinct advantage over its rivals. In some quarters there seems evidence of a disposition to relegate it as far as possible into the background, but this is surely a mistake. It seems highly probable that it has come to stay, and the only sound policy is to make the most of it.

The following were awarded their colours:—R. Rowley; J. F. Magor; G. Wodehouse; J. B. Allen; F. Heubach; J. McGuckin; H. R. Park; R. Coristine; J. S. Galt; V. Vickers.

## FOOTBALL CHARACTERS

- R. Rowley. Capt. Flying Wing. 2nd year on the Team. An injury in the first few weeks of practice kept him out of the game throughout the season.
- J. F. Magor. Vice Capt. Snap. 2nd year on the Team. A strong defensive player with a devastating tackle. A very hard worker who never spared himself. *John*
- G. Wodehouse. Right Outside. 2nd year on the Team. Very sure tackle, who always stopped his man. Still a little slow in getting down on kicks.
- J. B. Allen. Right Middle. 2nd year on the Team. A good line-plunger who would be still more effective if he learned to keep his head down. Not a natural kicker but improved steadily as the season progressed.
- F. Heubach. Left Middle. 1st year on the Team. Best line plunger on the side. A very sure tackle. Always in the thick of the fight. Good ball carrier. *Aguirre*
- J. McGuckin. Left Inside. 1st year on the Team. Good tackle and hard worker in the line. Should use a little more discretion when making interference.
- H. R. Park. Right Inside. 1st year on the Team. A sound line man who improved with every game he played. Safe tackle. Frequently broke through the line.
- R. Coristine. Flying Wing. 1st year on the Team. Came into the team half way through the season and deservedly held his place on it. A most determined tackler and effective ball carrier.
- J. S. Galt. Half. 1st year on the Team. A fast and determined runner. Safe catch and useful kick. Should learn to develop a "hand off" when running.
- V. Vickers. 1st year on the Team. Began as an Inside, but was made into a Snap owing to injuries to other members of the team. A very hard worker. Always made good interference.
- J. Stannard. 1st year on the Team. Flying Wing. Excellent broken field runner who is not easy to stop. At present does not start quickly enough. Should pay more attention to his tackling, and cultivate a "hand off." Fair catch. *Twin*
- J. Symington. Quarter. 1st year on the Team. A quick thinker who opened up the game well. Good drop kick and sure tackle. Inclined to take the ball himself too much.

- T. W. Beauclerk. 1st year on the Team. The general utility man of the side. Played Middle, Inside and Flying Wing and did duty as an emergency snap. Threw the forward pass with great accuracy, but his defence needs strengthening.
- N. Allen. Left Outside. 1st year on the Team. Shows considerable promise, and has a very sure tackle. Took the forward pass well.
- J. Calder. Half. 1st Year on the Team. A determined runner who was quick to seize an opening. Fair catch but must not wait for the bounce. Should be useful next year if he takes pains.
- F. Sherwood. Spare snap. A hard worker who was badly handicapped by injury.
- D. Thompson. Spare Outside. Started the season well but fell away. Quick on the ball and occasionally tackled very well; must learn to leave his feet more quickly.
- C. Gale. Spare line man. Good plunger and safe tackle. Should develop into a sound line player. *Chas.*
- R. Wilson. Spare line man. Good at interference and has some idea of hitting a line.
- G. MacCarthy. Spare quarter. Shows promise. Quick and clever at getting through the line. *'Hutch'*
- R. Denison. Spare Outside. A hard tackle and quick at getting down on kicks. May be useful next year.

### ASHBURY vs. MONTREAL HIGH SCHOOL

Played at Ashbury on October 3rd.

This was a well contested game in which the visitors were rather the more finished side. The result was a win for Montreal High School 10-6. J. Allen scored the Ashbury touch which was converted by Symington. Montreal High threw a forward pass over the Ashbury line.

The following represented Ashbury:—

Halves: Galt, Stannard. Flying Wings: McGuckin, N. Allen. Quarter: Symington. Snap: Magor. Insides: Park, Vickers. Middles: J. Allen, Heubach. Outsides: Wodehouse, Thompson. Spares: Beauclerk, Sherwood, Wilson, Calder, MacCarthy.

## ASHBURY vs. OTTAWA UNIVERSITY.

Played at Ashbury on October 12th.

The University brought their full side down which was far too heavy and experienced for the School and scored an easy victory, 32-0. Ashbury put up a plucky fight and held their opponents scoreless in the final period.

The following represented Ashbury:—

Halves: Galt, Stannard. Flying Wings: N. Allen, McGuckin. Quarter: Symington. Snap: Magor. Insides: Park, Beauclerk. Middles: J. Allen, Heubach. Outsides: Wodehouse, Coristine. Spares: Vickers, Thompson, Calder, Sherwood, Wilson, MacCarthy.

---

## ASHBURY vs. LOWER CANADA COLLEGE

Played in Montreal October 17th.

Ashbury started strongly when Lower Canada kicked off against the wind and soon made ground by good line plunging, and were helped by several off sides on the part of Lower Canada. Play was taken to the L.C.C. 5 yard line, but ground was lost owing to interference beyond the line of scrimmage. Allen kicked a point and Ashbury led by that margin at quarter time. 1-0.

Some give and take play near the half way line followed the opening of the second quarter. A bad snap gave Allen no time to kick, the kick was charged down, and the ball gathered by one of the Lower Canada halves who raced in for a touch which was converted. More midfield play followed which was marked by several bad fumbles on the part of Ashbury. Sherwood was hurt in a tackle, the second snap to be disabled and Galt was also forced to leave the field owing to a kick. Just before the end of the quarter Lower Canada picked up a ball that had rolled loose and scored another touch. They continued to press and just as half time was called kicked a further point. 1-12.

Ashbury restarted and pressed for some time but their halves were inclined to run too much across the field. Several end runs broke down when a score looked possible, and there was some heavy scrummaging near the Lower Canada line from which Allen kicked another point. Ashbury failed to kick sufficiently with the wind in their favour and did not gain ground as they should have done. 2-12.

Ashbury rushed play to the Lower Canada line but interference on a kick lost them the ball. Lower Canada took play to the other end and kicked over the line, but Calder saved well and ran the ball out to the 25 yard line. Ashbury pressed again but fumbling spoiled their chances and the end came with the score, 2-12.

The following represented Ashbury:—

Halves: Galt, Stannard. Flying Wings: N. Allen, McGuckin. Quarter: Symington. Snap: Sherwood. Insides: Park, Vickers. Middles: J. Allen, Heubach. Outsides: Wodehouse, Thompson. Spares: Coristine, Calder, Wilson, MacCarthy, Beauclerk, Magor.

---

## ASHBURY vs. BISHOP'S COLLEGE SCHOOL

Played on the McGill Campus, November 2nd

Bishop's had the wind in the first quarter and soon began to press. They kicked a point early in the game and were still inside the Ashbury 25 yard line when a big kick by Allen struck the wires crossing the ground and gave Bishop's possession on our ten yard line. From the ensuing play they forced their way over for a touch. 0—6.

In the second quarter, play was evenly contested and the only score was a rouge made by Bishop's. Half time ended with the score. 0—7.

In the third quarter, with the wind in their favour again the extra weight of the Bishop's team began to tell, and a well executed end run resulted in a further touch. Keeping well inside the Ashbury half they went further ahead with a forced rouge. One further touch was added in this quarter, making the score, 0—19.

In the last quarter Ashbury fought back with all they had, and reached the Bishop's 20 yard line mainly by the aid of some judicious kicking and a well judged forward pass. Kicking on every opportunity, Allen scored two rouges to reduce the balance. MacCarthy intercepted a Bishop's forward pass and raced for the line, but he lacked the necessary pace and was overtaken three yards out. Bishop's broke away in the closing minutes of the game and when Calder was forced to kick from behind his own goal line the ball struck the cross bar and rebounded behind the line, from which Bishop's scored a final touch. 2—25.

Bishop's were a really good School team. They were a heavier faster and considerably older side, but Ashbury put up a gallant fight, and the game was far more closely contested than the score would indicate. Bishop's won decisively and deserved their victory but that should not detract from the good performance which Ashbury put up.

The following represented Ashbury:—

Halves: Calder, Stannard. Flying Wings: N. Allen, Coristine. Quarter: MacCarthy. Snap: Vickers. Insides: McGuckin, Park. Middles: J. Allen, Heubach. Outsides: Wodehouse, Denison. Spares: Beauclerk, Thompson, Wilson, Gale.

---

### ASHBURY vs. LOWER CANADA COLLEGE

Played at Ashbury on November 7th.

Ashbury pressed hard at the start and maintained the pressure for some time till a bad snap sent the ball loose; it was picked up by a Lower Canada half who raced clean away from the opposition and scored a touch. Ashbury fought back. Park broke through the line and charged a Lower Canada kick behind their line, forcing them to concede a safety rouge. 2—5.

Play in the second quarter was even till near the close of the period when Ashbury took play to the Lower Canada 10 yard line and Galt kicked a point. Ashbury had a good chance a moment later when they had possession on the Lower Canada 3 yard line, but the ball was lost when a score seemed imminent. 3—5.

The third period was mainly fought out inside the Lower Canada 40 yard line. Ashbury had several chances but failed to profit by them. There was one exciting moment when the ball was kicked over the Lower Canada line, and in the ensuing melee Calder appeared to fall on it for a touch, but only a rouge was scored. 4—5.

The final period was scoreless and a most exciting game ended in a victory for Lower Canada by a single point. 4—5.

The following represented Ashbury:—

Halves: Calder, Galt. Flying Wings: Coristine, Stannard. Quarter: MacCarthy. Snap: Beauclerk. Insides, Park, McGuckin. Middles: Heubach, Gale. Outsides: Wodehouse, N. Allen. Spares: Thompson, Wilson, Denison, Davidson.

F. E. B. W.

Five matches were played this year, two against S. Alban's, two against scratch sides and one against the Staff, but the School only succeeded in winning one of the games against a scratch side.

Beauclerk was very good and sometimes brilliant in goal. Southam and McGuckin were a useful pair of backs who kicked well. McGuckin was a little inclined to dribble the ball instead of clearing at once, but Southam always covered him well. Of the Halves, Vickers worked tremendously hard, but much of his work was wasted owing to lack of body control. Magor at right half was a very sound defensive player and Stanfield on the other flank improved as the season progressed. The great weakness in the half line lay in its failure to feed their forwards, who were largely compelled to make their own openings. Galt was fast on the right wing, but must learn to keep on the touch line and lie further up the field. Calder at inside right showed the best ball control on the side and dribbled well, but did not always keep his shots low enough. Coristine in the centre worked hard and occasionally fed his wings with long well directed passes, but has much to learn about positional play. MacCarthy was unselfish at inside left but lacks experience and was inclined to dally with the ball. Gillies on the left wing was fast and a tireless worker, and lost no time in getting away, but should learn to control the ball more quickly. Symington was unfortunately "crooked" early in the season and there is no doubt that his injury upset the balance of the forward line.

Colours were awarded to:—D. C. Southam, J. S. Galt, J. Calder, J. McGuckin, T. W. Beauclerk.

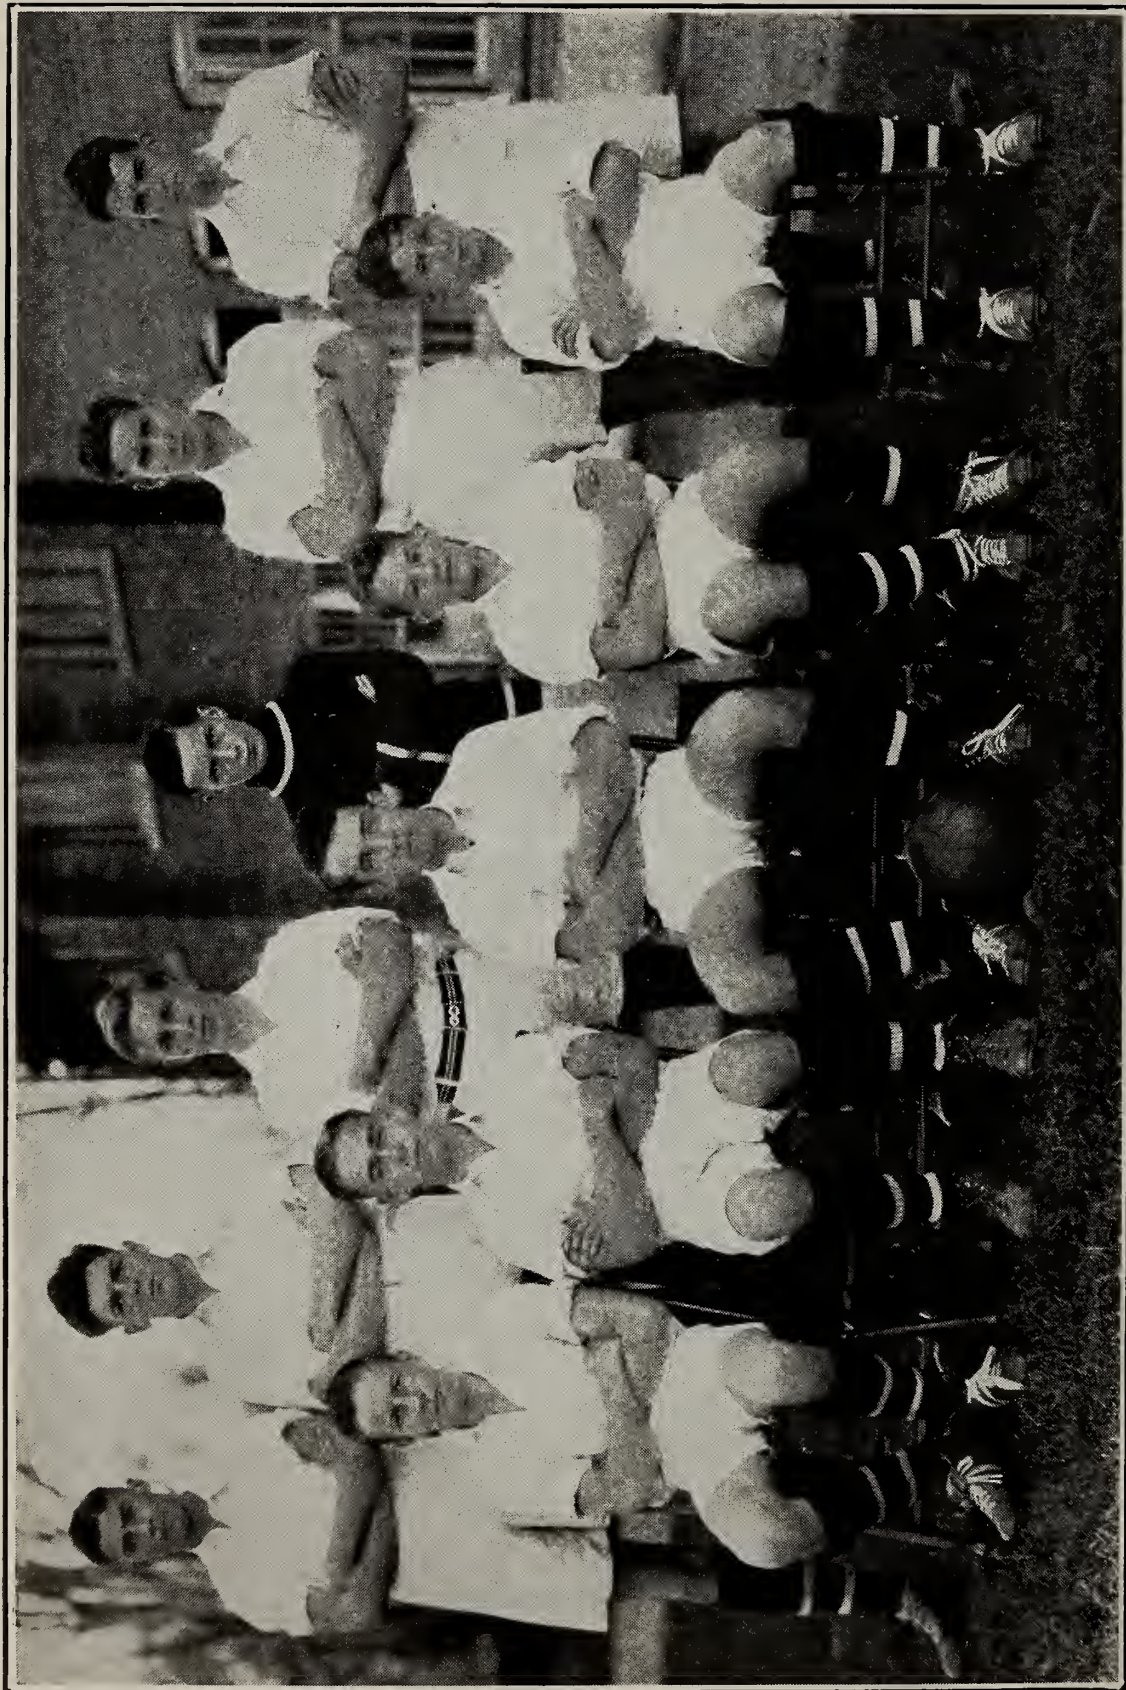

The following is a summary of results:

Sept. 21st. Ashbury vs. Mr. Whitfield's XI .....	Won 5—0
Sept. 28th. Ashbury vs. Barbarians .....	Lost 1—3
Oct. 21st. Ashbury vs. The Staff .....	Lost 0—2
Oct. 24th. Ashbury vs. S. Alban's School .....	Lost 0—2
Oct. 14th. Ashbury vs. S. Alban's School .....	Lost 1—4

F. E. B. W.

2nd XI SOCCER, 1931.

R. Smith; T. Little; H. Snell; J. Sharp; N. Allen; R. Wilson;  
H. Powell; G. Stanfield; D. Thompson, (Capt.); W. Fullerton; M. MacBrien.

### INTERMEDIATE FOOTBALL

There are two outstanding weaknesses in our Intermediate "Soccer", viz:—poor ball-control and faulty kicking. The reason is quite obvious. One rarely finds good (Soccer) ball-control and kicking in a good Rugby player, mainly because the good Rugby player is rather inclined to spend all his time improving his rugby. An occasional five minutes with a Soccer ball would go a long way towards improving the standard of Soccer at Ashbury.

The Intermediates, particularly the "under 15 men", however, are to be congratulated on the keenness they have shown during the season just closed. The early morning practices were well attended—an inspiring example having been set in this respect by one of the day-boys—and there was little lack of support at the afternoon games by individuals, who by reason of the age limit, could not make the team. With such spirit, enthusiasm and co-operation, the future for Soccer at Ashbury is very bright.

---

#### ASHBURY 2nd XI vs. ST. ALBAN'S 2nd XI AT BROCKVILLE

Won by Ashbury 3—1

Ashbury, assisted by the wind, had decidedly the better of the play during the first half, and scored two goals. The forwards combined well for the first goal which was scored by Allen II. The same player later broke through to score the second goal with a fine individual effort.

With the wind behind them, St. Alban's began the second half well, scoring at once. Though often dangerous, they were held for the remainder of the game. Then ten minutes before "time" Ashbury rushed up the field, the ball was passed to Heuser, who shot into the corner of the net for Ashbury's third goal.

For Ashbury, Allen II was the best, with Little and Wilson playing a good game at full-back.

Team—Ferguson; Wilson I, Little; Coristine (Capt.), Fullerton, Smith; Boyd, MacBrien, Allen II, Wodehouse, Heuser I.

## ASHBURY 2nd XI vs. ST. ALBAN'S 2nd XI AT ASHBURY.

Won by Ashbury 3—nil.

The return game, played at Ashbury, was won by the home team by 3 goals to nil. This result, however, does not give a true picture of the game. The visitors, shaken no doubt by the long journey by road from Brockville, began badly, and were three goals behind in the first ten minutes. The remainder of the game was evenly contested—no goals being scored by either side, with Ashbury being the more aggressive. The St. Alban's side are to be congratulated on their plucky display after so disastrous a start.

Goals were scored for Ashbury by Allen III, Stanfield II, and MacBrien.

Team:—Sharp; Wilson I, Little; Thompson (Capt.), Fullerton, Smith; Powell, Mac Brien, Allen III, Stanfield II, Snell.

Mr. Johnson refereed.

---

## UNDER 15 v. SELWYN HOUSE

On October 22nd, a very enthusiastic “dozen” journeyed to Montreal for the first game against Selwyn House. The weatherman was kind and the M. A. A. A. groundsman had done his best with a rather “bumpy” playing field.

A clean, keenly contested game resulted in a win for Ashbury by two goals to one.

Selwyn House was represented by a well-trained team, whose steady defensive tactics, neat ground passing and good ball control were delightful to watch. Their forwards gave the Ashbury defence many anxious moments.

For Ashbury, the goal-keeper and half-backs played well; but the forwards and the backs were rather unsteady. Allen III. scored both of Ashbury's goals.

Team:—Sharp; Molson, Stannard (Capt.); Hyman, Fullerton, Smith; Powell, MacBrien, Allen III, Yuile, Davidson II.

Reserve:—Little.

Mr. Pattisson kindly refereed.

Mrs. Sharp's kind hospitality was greatly appreciated by “Les Etrangers”. Yuile's services as radio operator were in constant demand en route; everything possible was done for our comfort by the C.N.R. officials.

## UNDER 15 v. SELWYN HOUSE

The return game, played at Ashbury on Sat., Oct. 31st, resulted in a tie, two goals all.

Most of the play was in the Selwyn House half; but the good defence of Selwyn House, assisted by the weak finishing of the Ashbury forwards kept the score down. The Selwyn House forwards, who missed very few opportunities, evened the score in the last minute of the game.

Hyman scored the two goals for Ashbury. Powell and MacBrien combined well on the right wing, the former playing particularly well.

Team:—Roberts; Molson, Kirkpatrick; Stannard (Capt.), Fullerton, Smith; Powell, MacBrien, Allen III, Hyman, Davidson II.

Mr. Morris kindly refereed.

Linesman:—N. Gillies.

J. W. J.

---

JUNIOR SCHOOL FOOTBALL

The establishment of a separate Junior School, has greatly simplified the task of organizing Junior games; with junior school boys only, and a narrower range of weight and size, it has been possible this Autumn for each boy to have a game every day under proper supervision.

All our attention has been given to Soccer, a game that develops quickness of thought, speed, and the ability to kick, all of which should be very useful to us when we move into the Senior School and begin to play Rugby. The standard of play all round has greatly improved since September; much better attention is being paid to position, and no longer does everyone think that his place at any time is where the ball is. With the grasping of the idea of position, has come the beginning of combination, and consequently greater enjoyment of the game by everyone who is playing.

Unfortunately it has not been possible to arrange more than one match with an outside team. We have, however, played an interesting series of matches between Boarders and Day-Boys; interest in these was very keen right up till the last match, after which the Boarders stood winners of the series by three victories to one. Reynolds and Snelling, the captains of the two sides, worked hard all along to make the round a success and to keep their sides up to the mark.

Our one real match was played in Montreal, against an eleven from Selwyn House. Reynolds, the Ashbury Captain, won the toss and wisely decided to take the advantage of playing with the wind and sun behind him. For the first twenty minutes of the game it looked as though Ashbury would win; nearly all the play was in Selwyn House territory. We were frequently in front of the goal, but failed time after time to shoot—and many opportunities were lost. Then a Selwyn House forward broke away from inside in his own half, took the ball cleverly right through our defences, and scored the opening goal of the match. Elated by this success, the Selwyn House team began to play a better and bolder game. They scored again early in the second half, and though the Ashbury team made several strong threats in which Wright and Barott were prominent, they managed to keep their goal intact, winning a very evenly contested game. (2—0). Many of us were meeting an old friend again in Mr. Pattisson, who refereed for us.

Team:—Goal-keeper: Snelling. Backs: Purdy, Dunning. Halves: Ghent, Macdonald, Dixon. Forwards: Barott, Ronalds, Reynolds, Allan, Wright.

---

There was an old man called Zerub-babel,  
Who played with a large India rubba-bel.  
The "rubba-bel" burst—  
Zerub-babel cursed,  
And his language was quite indescrib-babel.  
(This is terrub-babel.—Ed.)

---

The Reverend Henry Ward Beecher,  
Said the hen was an elegant creature;  
The hen pleased with that,  
Laid an egg in his hat—  
And so did the "Henry Ward Beecher."

## CADET CORPS NOTES

The Officers and N. C. O's. appointed in the Cadet Corps are as follows :

To be Company Leader .....	N. Gillies
To be Platoon Leader (No. 1 Platoon) .....	R. Stanfield
To be Platoon Leader (No. 2 Platoon) .....	D. Fauquier
To be Signalling Officer .....	G. Wodehouse
To be Bandmaster .....	R. Coristine
To be Platoon Sergeant (No. 1 Platoon) .....	J. Magor
To be Platoon Sergeant (No. 2 Platoon) .....	J. Galt
To be Signalling Sergeant .....	N. Spence
To be Band Sergeant .....	D. Southam
To be Drum Major .....	J. Allen
To be Section Corporal (No. 1 Section) .....	L. Thomas
To be Section Corporal (No. 2 Section) .....	J. McGuckin
To be Section Corporal (No. 3 Section) .....	J. Cowans
To be Section Corporal (No. 4 Section) .....	C. Gale
To be Band Corporal .....	R. Rowley

## SEMAPHORE SIGNALLING

A Class of Semaphore Signalling for Cadets was started on Monday, October 5th, and continued for six weeks.

During the past seven years a Class has been held annually and all the cadets who have taken the Course have been successful in obtaining the Bonus and Certificate.

## CADETS ANNUAL COURSE OF MUSKETRY

During the Fall months the Cadets fire their Annual course of Musketry ; each Cadet fires 40 rounds and is classified according to the number of points scored in the latter part of the practices.

A Cadet scoring no less than 90 points is classified as a Marksman ; 85 points and less than 90, First Class Shot ; 60 points and less than 85 ; Qualified Shot. Less than 60 points the Cadet is not Classified.

## LAURA SECORD SHOOTING COMPETITION

Two Teams have been entered in the above named competition again this year. The competition is to be fired during the week commencing the 23rd November 1931. The results will be published in the next issue of the Ashburian.

F .W. S.

## THE LITERARY AND DRAMATIC SOCIETY

The Literary and Dramatic Society held its first business meeting of the School year on Wednesday, October 21st. Fifteen members of last year's Society are still at the School, the majority of whom were able to attend. Routine business occupied most of the time. The President and Hon. Treasurer were re-elected, and J. Magor was chosen to fill the post of Secretary in place of R. Leathem who has left.

The play chosen for presentation in 1932 is "The Merchant of Venice." Two performances will be given at the Little Theatre this season, the first on Friday, March 11th, a matinee for pupils attending the Ottawa and District High Schools, and the second on Saturday evening, March 12th, for the general public. His Excellency the Governor-General has signified his intention to be present at the Saturday evening performance, provided no unforeseen duty calls him away from the City on that date. His Excellency's keen interest in the Drama, and particularly in amateur theatricals is well known, and the whole company will be keyed to the highest pitch to uphold the honour of the Ashbury College Players and the School.

Several of last year's players are still available, prominent among whom are O. Whitby, who will play the part of Portia; D. Southam, who will play Antonio, the Merchant; and J. Magor as Bassanio. A cast of more than twenty will be required to fill all the parts. This will enable the Society to fulfil one of its essential objects, the training of as many as possible in the art of public speaking.

We take this opportunity of asking all parents and friends of the School who can possibly be in Ottawa on March 12th, to reserve the evening for "The Merchant of Venice," and to send in their requests for reservations, accompanied by cheques to the Treasurer, Mr. B. K. T. Howis, as soon after February 1st, as possible. The price of tickets will be the same as last year, viz:—\$1.65, including tax.

## THE SENIOR LIBRARY

The Senior Library has been enriched by the addition of several valuable and useful Books. We are very grateful to Miss Birch who most kindly presented "The Works of Charles Reade" in nine volumes; these books should be very welcome to the many lovers of Charles Reade in the School.

On the advice of Mr. Johnson we have secured the new and revised edition of "The Book of Popular Science," which is much superior to the earlier edition. It is up-to-date and quite reliable and should be very useful as a source of collateral reading in the Natural Sciences.

A useful work of reference for Students in English has been provided in "The Waverley Dictionary." This new style of Dictionary, complete in eight volumes, is full of verbal and pictorial illustrations of the various words in our Language. With this set of books, there should be no excuse for incorrect diction on the part of Ashburians.

In Ancient History several important additions have been made. Breasted's "Ancient Times" is an authoritative and reasonably full treatment of the whole period. "The Story of Greece and Rome," by Robertson and Robertson, is a shorter book than Breasted's but we believe it will be found equally useful. "The History of Herodotus" in two volumes, and Livy's "History of Rome" in four Volumes have also been added.

Books of a lighter nature will be supplied next term.

J. R. A.

### THE FREIBURG PASSION PLAY

On the evening of October 6th, the Senior School viewed the "Passion Play" at the Auditorium. The presentation was reverent, well acted and well received by the large audience. George Fassnacht, Jr., and Emil Trautman Fassnacht divided the role of the Christus between them, and their interpretations of the Master's bearing during the Passion gave evidence of understanding and spiritual intuition. We wonder, however, whether it is possible for anyone to portray Jesus in the acted and spoken Drama.

Jesus was born of a Jewish Mother, but in a very real way, He transcended the narrow nationalism of the Jewish People of His day and rose above mere national and racial distinctions. The person who would portray Him on the stage would have to be of the same temperament. We doubt whether such a person could be found.

The student of the New Testament detected here and there little faults in detail. Peter was depicted as a grey-haired man, whereas in reality, he was a young man of thirty, or less, when His Master was crucified; while John, the "Beloved Disciple" could not have been much over twenty.

But we do not wish to cavil at an attempt so transparently sincere. It was a noble effort to achieve the excellent result. The Fassnachts were splendid; their subject was more splendid still.

J. R. A.

## QUIPS AND CRANKS

Waiter: "These are the best eggs we've had for years."

Customer: "Well, bring me some you haven't had for so long."

---

"Darling, I won a medal at a cookery School."

"Wonderful. But tell me, what is this I'm eating?"

"Guess."

"Your medal."

---

The home team was playing a very poor game of basketball. "Shoot, Joe!" shouted one of the spectators. "Why pick on Joe?" said another, "Why not shoot the whole darned lot?"

---

"Baby's swallowed a bottle of ink."

"Incredible."

"No, indelible."

---

"Wake up, quick, wake up!"

"Can't."

"Why not?"

"Ain't sleeping."

---

Scott's Emulsion seems to be better advertised than his Ivanhoe.

---

She: "My father used to train animals."

He: "Do you know any tricks?"

---

She: "Every night before I go to bed I write down my thoughts in a little book which I have had for over a year."

He: "You must have nearly a page full by now."

---

K.P.: "I'm hungry. I got an awful headache."

Mess Sergeant: "What you need is exercise. Why don't you take the axe and get on that wood pile?"

K.P.: "Sorry, Sarge. I ain't got no splitting headache."

---

It was during the grammar lesson. Said the teacher, "Always remember, boys, that the word 'with' is a very bad word to end a sentence with. I—ah—that is to say—ah, unless you have nothing else to end it with."

What was the name of the bright lad who finished up his Scripture paper with Amen?

---

Who, also, lying in bed in the dark, heard someone passing and not being sure how to address him, inquired: "Is that a Sir, or is it a prefect?"

---

What chivalrous thoughts were in the boy's head who translated "contendit ad hostes de tertia vigilia" as "he fought the enemy for a third maiden?"

---

If \_\_\_\_\_ still thinks that a triangle is a square with three corners?

---

"No, I can't give you an appointment this afternoon; I have eighteen cavities to fill," said the dentist as he turned from the telephone and picked up his golf clubs.

---

The owner of a midget car drove to a filling station and asked for a pint of gas and two ounces of oil. "Okay," said the attendant. "Now would you like to have me sneeze in the tires?"

---

An actress on tour became tired of paying railway fares for her small dog, so she bought a basket with ventilation holes.

The first time she attempted to use it, the ticket-collector at the station barrier asked what was in the basket.

"Hats," replied the actress, and went on to the platform.

Before she had proceeded far she was recalled by the grinning ticket-collector, who, pointing to a stump of fuzzy tail which wagged from one of the ventilation holes, remarked: "You'll have to pay for that one with the feathers!"

### "AFTER THE BALL"

At Ashbury the ball went sailing  
Into the clear blue sky,  
The eyes of the fielders were trailing  
As it sailed o'er the fence so high  
The umpires both had fainted,  
The captains had taken the fall,  
While the crowd on the campus were yelling  
"Goodbye to another good ball."

Now the gardener was digging his garden  
As gardeners love to do,  
When down came the cork and the leather,  
In the midst of his Irish stew,  
Said he "What are you after,  
Some potatoes or flowers for your pall?"  
"No," said the brave young fielder,  
"I'm only after the ball."

Oliver.

---

### CORRESPONDENCE

Ashbury College, Ottawa,  
Nov. 2nd, 1931.

To the Editor,  
The Ashburian.

Dear Sir,

Each Winter the "quad" in front of the School is seriously encroached upon and damaged by motor-buses and cars. Owing to the snow, the drivers cannot be blamed if they are unable to distinguish the dividing mark between "quad" and Driveway. Would it be possible to place a fence-work of wooden stakes at the crucial points? These could be easily kept clear of snow.

I am,

Yours faithfully,

OBSERVER.

## OUR MCGILL LETTER

McGill University, Montreal.

Nov. 22nd, 1931.

Dear Mr. Editor,

At grave risk of my life I take it upon me to report some of the doings of a few Old Ashburians, here at McGill.

There are many of us here all working very hard—not to let studies interfere with our normal University Course. The Professors are said to sprout several grey hairs every time they see an ex-member of the noble Institution at Rockliffe, Ottawa. Be that as it may, the erstwhile red, white and green lads are making McGill a bigger, better and brighter spot. Speaking of colours reminds me of the sombre hue of Jim MacBrien's right eye, following an interview with a cadet after the McGill R.M.C. game. Jim always was fond of arguing. The afore-mentioned game was an opportunity for all Old Ashburians to give a big hand to "Pop" Irvin, who played a spectacular game.

In Athletics, the old College Standard is being well upheld by Ned Elwood, who was on the Freshmen Inter-Collegiate team, while "Bob" McCarthy and John Carrique are turning out for the Gym. team.

There was a splendid representation of Old Boys supporting the Ashbury squad at the B.C.S. game.

In defiance of the forth-coming Peace Conference, Henry Joeseoph has joined the Army, signing up with the Black Watch of Canada. Sgt. Maj. Stone will regret to hear that no Old Ashburians have joined the McGill C.O.T.C. He may know why.

Thornton Grier, Fraser Macorquodale and Ronald Leathem took part in the play, "From Morn till Midnight", by George Kaiser, while "Chunky" McLachlin helped with the construction of the scenery. Junior Brodie, Charlie Eliot and Jack McDougall are acting in the English Department Play in December.

Garner Currie attended two Philosophy Lectures in the same week. The Dean is reported to be recovering from the shock! Alexander Angus, producer of the inter-nationally known film "Passionate Prairies", (Address all enquiries to the producer, 3450, Drummond St., Montreal) is rumoured to be on intimate terms with the Senneville Police. They "Fined" him a fast fellow!

McGill also boasts the presence of Len Schlemm, Herb Hammond, Court Evans, Norm Galt, Bill Pugsley, Phil Scott, Wilbur

Hart, Ken Mackenzie, Malcolm Brodie, John Lafleur, Graham Garvock, Bob Craig, Bob Bowman, John Garland, Gordie McOuat, Dave Mackenzie, Gordon Forbes and Charlie Yuile.

Amongst others who are seen round Town are Fraser Coristine, who is taking a post-graduate course at a Commercial College; Willie Angus, now with the Bell Telephone Co.; Fred Brooke, an employee of the Royal Trust Co.; Frank Hart, in his Father's business; Doug Monk, a student, and Bill Bonnar, Bill Robertson, B. Robinson, Phil Brown, John Bogert, Stephen and Jim Oppe, John Fauquier, Percy Cowans, Guy Perodeau, Austin Henderson, Doug Cowans, Jim Brodie and Charlie Hart.

Wishing Ashbury and "The Ashburian" all success,

Yours sincerely,

O. A.

### **AUTOMATIC MONITOR ADOPTED AT ASHBURY**

The new bell ringing system recently installed at Ashbury is one of the most modern of its kind. No longer can a student at Ashbury doubt the authenticity of a bell ring—or pass it off with a "It must have been rung by mistake." The human element with its attendant possibility of error has been entirely eliminated and an electric robot created instead. A visitor to the College will soon realize that it was no simple matter to provide for a schedule of the 146 rings required during the week. Not only are the rings of different duration, varying from 3 seconds to 60 seconds, but Wednesdays, Saturdays and Sundays have individual schedules differing from the balance of the week.

Upon casual observation, the bell programme or "Contact" maker appears a simple, inoffensive instrument with a number of discs, having pins and incisions along the edges. Your conclusions are quite correct; the Contact maker alone would have no objection to students rising at any hour or missing lectures—in brief—it would not function without the Master clock which is, virtually, the "heart of the system."

The Master clock, or transmitter, is itself a triumph in horological construction. It is of the type holding today the world's record for accuracy. Mounted in an oak case, the mechanism consists of a seconds pendulum, with a 10 lb. cylindrical bob carried on a non-expanding rod of "Invar" metal, an alloy in which the co-efficient of expansion is nil and, the compensation therefore being perfect, no variation in time keeping is occasioned by changing temperatures.

It is a true electric clock, with only one wheel in its mechanism and the impulse, occurring every half minute, is given by the release of a gravity lever which for an instant drops on the receding pendulum until it reaches the contact, which instantly again raises the lever to its position of rest until the next impulse. This regular impulse of a given weight dropping a given distance unaffected by any mechanical friction, is one of the first requirements for accuracy in time keeping.

So, when you are awakened a little "too soon" in the morning or called to an examination before you are quite "ready", it is really that inexorable Pul-syn-etic Master Clock that is to blame.

This equipment was designed and produced by Blick Time Recorders of Canada Limited in their Montreal factory and it is a 100% Empire product.

### CONTEMPORARIES

We acknowledge with thanks the following:—The Albanian, The Marlburian, The Meteor, The St. Andrew's College Review, The Tonbridgian, The Trinity College School Review and The Trinity University Review; The Upper Canada College Times, The Collegian, Wanganui, New Zealand; The Mitre, The High School Magazine of Quebec; Selwyn House School Magazine, St. Thomas' College Magazine, Ceylon; St. Helen's School Magazine, Dunham; The Samara, Elmwood; The Tower, The Oracle, The Blue and White, Trafalgar Echoes, The Lantern, The Grove Chronicle, King's Hall Magazine, The Tallow Dip, The Windsorian, The Westmount High School Annual.

---

An epicure dining at Crewe,  
Found a corpulent mouse in his stew:  
Said the waiter, "Don't shout"  
Or wave it about,  
Or the rest will be wanting one too."

---

A divinity student named Tweedle,  
Would not accept his degree:  
It's tough enough being called Tweedle,  
Without being Tweedle D.D.

---

A boxer of promise was Speed;  
He knew how to block and to lead;  
But one blow from the "Champ"  
Put him out like a lamp!—  
They told him to faint—he agreed!

## EDITORIAL

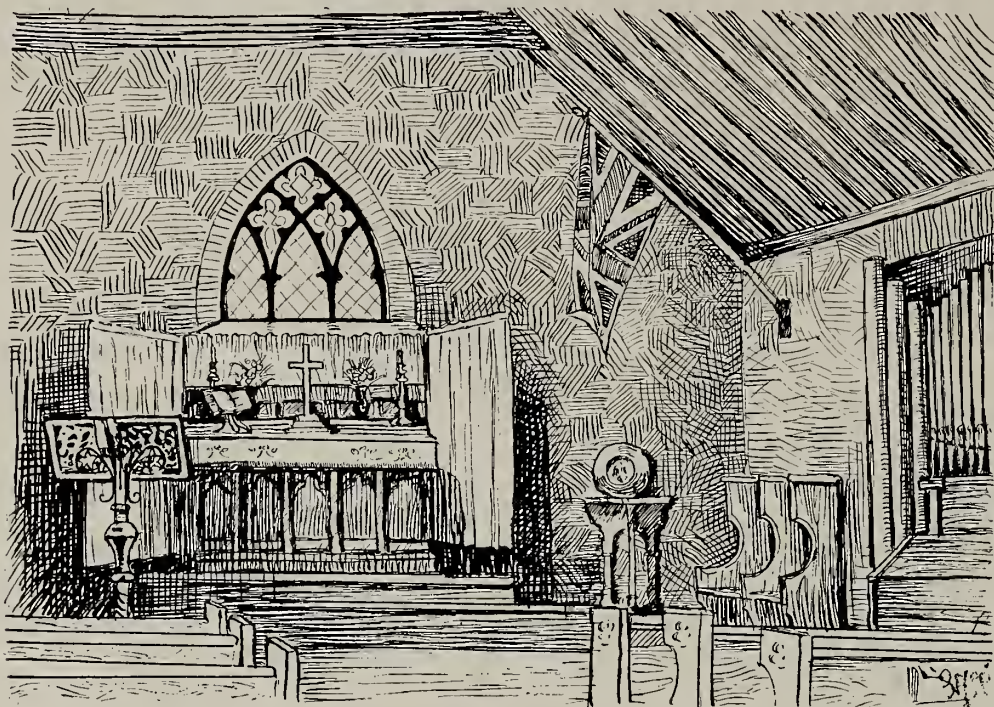

Two interesting events of outstanding importance, each in its own sphere—one to do with Work, and the other with Play—are scheduled during the Summer Holidays. We refer to the Imperial Conference to be held in Ottawa and the visit of the Australian Cricket Team, including Don Bradman. With regard to the first, we cannot do better than offer a humble welcome to the Delegates from Overseas and trust that the efforts of the Conference to foster Inter-Empire Trade will meet with every encouragement and success.

The second item lies more within our scope, and it is up to every past, present and future Ashburian to find out when and where the Australians will be playing, and to make every effort to go and see them. Whether interested in Cricket, or not, it will be an Education in itself to see the Game as it should be played, and much will be learned about Batting, Bowling, placing the men in the Field and the all important art of Backing-up. It is well to bear in mind that the greatness of a Cricketer does not altogether depend on the number of runs made, nor on the number of wickets obtained. It is his example, manner and influence that really matter. These Inter-Dominion Matches will prove this. Do not miss this golden opportunity, for who knows when the Australians may pass this way again?

We commend to your notice a new Magazine, produced by the leading Schools in Great Britain, entitled "The Gate". The Senior Library has subscribed to it and has found it extremely interesting. Its contributors are Boys only. Here is an opportunity for an Ashburian to gain distinction both for himself and his School by sending in a Contribution worthy of publication. Further information can be obtained from the Editor of the "Ashburian."

Very happy Holidays to you all, and may kindly weather shine upon you.

### CHAPEL NOTES

The Preacher at the closing Service on Sunday Evening, Dec. 13th, was Archdeacon Fleming, who is in charge of the Arctic Regions of Canada. He gave a forceful and interesting Sermon from the text, "What manner of person ought ye to be?" (I. St. Peter II.3). The offertory was devoted to the Arctic Mission.

Christmas Carols were sung and were much appreciated by the large Congregation.

On Sunday, Feb. 7th, the Lord Bishop of Ottawa preached the sermon at Evensong, from the text, "Lord, I believe; help Thou mine unbelief." (St. Mark 9.22). It is interesting to note that a contribution from the School Offertories in Chapel is given annually to the Bishop, which money is devoted to the further help of the Church Army Missioners who work on the Ottawa Diocese some hundred and forty miles up the Ottawa River.

On Palm Sunday, at Evensong, a very creditable rendering of "The Crucifixion", by Stainer, was given by the Choir, with the help of Mr. Johnson and Mr. Morris, who sang the Bass and Tenor solos respectively. Mr. Wright and the Choir had done much hard work and the result was worthy of hearty congratulations. It may not be out of place to mention here that the Singing in Chapel has improved tremendously under Mr. Wright. The Psalms are now sung daily at the short Morning service. For this purpose, the New Cathedral Psalter has been introduced.

While congratulating the Rev. J. Dixon on his appointment to Grace Church, Toronto, we are sorry that he is leaving St. Bartholomew's, Ottawa. He has often visited us here, and preached in Chapel. Our best wishes go with him in his work in Toronto.

Our Annual Confirmation service was held in the Chapel on the evening of Sunday, April 24th. The Lord Bishop of Ottawa confirmed the candidates and gave one of the best addresses of the many we have had the privilege of hearing from him.

The newly confirmed boys made their First Communion on the next Sunday morning. The following were confirmed:

Graham Wilson Ferguson,  
John Ross Ferguson,  
Russell Cowans,  
George James Hyman,  
Edwin Ross Allen,  
Charles William Fullerton,  
Michael Desmond MacBrien,  
Ralph Cyrus Smith,  
Howard Arthur Barends,  
Robert Keith Davidson,  
Ernest George Henry Rex,  
Lawrence Hamilton Roberts,  
William Henry Hurd,  
John Galt Weldon.

### SCHOOL NOTES

On Wednesday, April 13th, a party of boys were taken to the House of Commons to hear a Parliamentary Debate. Other outings included a visit to the Parliamentary Buildings. The Junior School also visited the Museum and Eddy's Paper Mills.

On Saturday, March 21st, the Junior School was entertained by Mr. Evearie, (conjurer), and by "Our" Mr. Oliver, (ventriloquist). We express our grateful thanks to each of them.

On Sunday, Dec. 13th, Mr. and Mrs. Barott and Peter Barott had the honour of lunching with Their Excellencies, Lord and Lady Bessborough at Government House.

A most interesting Lecture was very kindly given by Mr. J. H. Wright in the Assembly Room on "Fire Weather," illustrated with Films, Slides and Instruments.

On Saturday, January 30th, Mr. Thomson, of Montreal, gave an illustrated Lecture on "The New Beauharnois Works". At each Lecture there was a large number of Boys present and all were deeply interested in what the Lecturers had to tell them.

Moving Pictures were shown at various intervals through the Autumn and Spring Terms, and all were keenly appreciated.

We received an unpleasant shock on the morning of Tuesday, April 26th, when we learned that Miss Lewis, our Matron, had had to be rushed off to Hospital with acute appendicitis. She was operated on almost at once, and we are glad to say she is now completely convalescent.

A cricket net has been supplied for the use of the Junior School.

We offer our sympathy to Mr. Myers, on the death of his Father in April.

The following Old Boys have visited the School since our last issue:—J. Rowley, P. Smellie, R. Leatham, E. Sherwood, J. Davidson, M. Turner, A. Clarke, L. Bates, A. H. MacCarthy, A. Fauquier, G. Southam, C. Hart, H. Thornton, J. A. C. Macpherson, R. Cameron, E. C. Elwood, B. Robinson.

On Tuesday, May 10th, a "Half" was granted to members of the Choir, Library, Band, Book-room and Signallers, and on May 31st to the Dramatic Society.

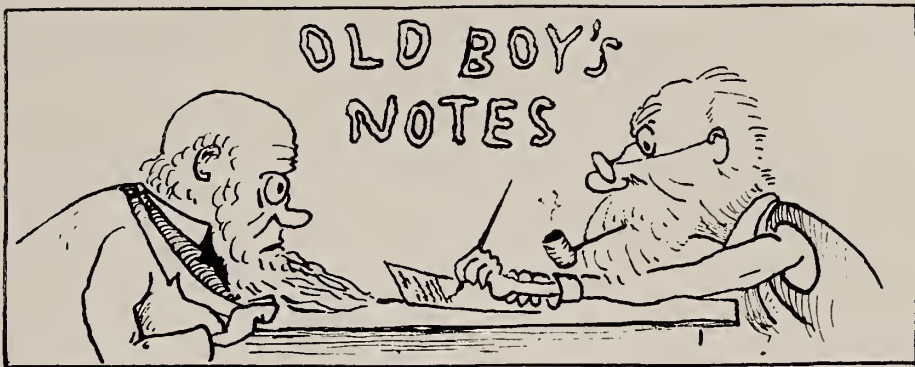

Mr. Brodie played one of the leading roles in "The Truth about Blayds" at the Little Theatre. Mr. Howis appeared in "Interference" and "The Swan". In the latter play O. Whitby and K. Stevenson had small parts.

### VISIT TO THE NEW FILTRATION PLANT

Accompanied by Mr. Johnson, some of the Upper Forms paid a visit to the new Civic Filtration Plant from which Ottawa and its vicinity now obtain what is probably the purest water in Canada.

An Essay on the New Plant was written by all boys who were taken over it, and the winner of the 1st place in the competition was George Wodehouse and of the 2nd place Norman Gillies. Fred Heubach and Donald Thompson were bracketed third.

### OLD BOYS NEWS

Peter Smellie used his spare time to good advantage last winter. He played Hockey with the Bank of Montreal Hockey Team in which he proved himself quite a star.

Shirley Wood's home was recently visited by the stork and the new offspring was christened "Norman Guthrie Woods". Some day in years to come, he should be a new boy at Ashbury.

Aldous (Pete) Bates home was increased by one recently. The new little Bate will take the nickname his father received at Ashbury and will be known as "Peter".

Arthur Lambart was one of the engineers on the northern development road work this winter.

Lew Bates has been spending the greater part of the winter placing pucks in nets of teams from nearly all the capitals of Europe. He was a member of the Ottawa All-Star Amateur Hockey Team that was on a tour of Europe.

Bernard Lowe, who has a farm near Metcalfe, is a Lay Reader and helps Mr. Vincent in his Parish Church. It was his Father who presented the Cross on the Altar in our Chapel.

Eardley A. C. Young is now cashier in the Bank of Montreal, Rideau Street Branch.

Fraser Macorquodale has been elected President of the McGill University Players Club.

W. R. Bell is moving to England in July, but "intends coming back to Canada as soon as possible."

Herbert Hammond is entering the Faculty of Architecture at McGill next September.

David Mathias was on one of the Inter-College Soccer Teams of Boston Tech. last season.

The engagement has been announced of W. Angus and Miss Caro Molson. The marriage will probably take place in September.

Bob Bowman was Sports Editor of the "McGill Daily" last year.

C. G. Eliot has had several of his paintings on Exhibition both in Toronto and Montreal.

Barclay Robinson was playing goal for the "Senior Vics" hockey team during the Winter.

Percy Cowans acted with the Montreal Repertory Theatre this year.

R. Leathem has appeared in two productions by the McGill Players Club, viz:—"From Morn to Midnight" and "The Road to Rome."

Eric Beardmore had a position in New York with an Engineering Firm last Winter.

We offer our Congratulations to David A. Wanklyn (Sept. '15—June '18) and to his Wife on the Birth of a Son.

Campbell Merritt graduated from McGill last year with high honours. He also won the Bronze Medal and the T. Robertson Prize, which carries with it a small honorarium. He went through the five year's course without a Supplementary. He has been granted a travelling Scholarship of \$1,200 a year, renewable for a full period of three years. We offer him our heartiest congratulations.

On Sunday, January 10th, Marie-Elisabeth Roy to John David Southam, at All Saints Church, Ottawa, by the Rev. C. G. Hepburn. The Bride is the daughter of Hon. Dr. Philippe Roy and Madame Roy, and the Bridegroom is the elder son of Mr. and Mrs. Wilson M. Southam of Lindenelm, Rockcliffe. We offer our congratulations and best wishes to the happy pair.

On Tuesday, February 23rd, at the Church of St. James the Apostle, Montreal, by the Rev. Canon Shatford, assisted by the Rev. Dr. Woollcombe:

Margaret, daughter of Colonel W. Barnard Evans to Arthur Cassils, (Sept. 1915-June, 1918), son of Mr. Alfred B. Evans."

All Ashburians wish the young couple many years of very happy days.

Congratulations to Lawrence W. Jackson (May, 1911-June, 1916)) on the birth of a daughter.

We record with deep regret the sudden death of Lindsay C. Mickles (Nov. '23-June '27). He was a general favourite and a good sport, and his sudden passing is a real sorrow to all of us who knew him. We extend our deepest sympathies to his family in their bereavement.

---

We also extend our sincere sympathies to the parents of Gerald Stanfield, who was with us from January to May, 1927, and who passed away a short time ago after a long illness. A young life of promise has been cut short at the threshold of manhood.

---

Jack McMahon (Sept., 1918-June, 1921) has our sincere sympathies in the sudden death of his father, one of Winnipeg's most respected and successful business men.

---

To Pearson McCurdy (Sept., 1916-June, 1922) and his family, our sincere sympathies are extended in the sudden death of his young wife.

---

The tragic death of Brian Burstall came as a great shock to all old Ashburians who knew him. Burstall met his death in a fire at Stony Rapids, Saskatchewan. He was a member of the Royal Canadian Mounted Police and was in his twenty-ninth year.

---

Two Ashbury "Old Boys" have been bereaved by the loss of their fathers. They are Blair Gilmour and E. F. Newcombe. Blair Gilmour's father was also an old Ashburian.

## THE OLD BOYS DINNER

The annual dinner of the Association was held in Montreal on Friday evening, April the first. This year it was decided to hold the annual meeting of the Association before our dinner, and the idea seems to have been a good one, since it was the means of making known to many of the members exactly what the Committee had done during the past year.

We were again very fortunate in having as our guest of honour Doctor Woollcombe, whose presence is so essential to the success of the evening. The retiring president, Ted Lyman was in the chair; the other members of the Committee completed the number seated at the head table.

After the toast to the King had been drunk, the chairman proposed a toast to Ashbury. He took this opportunity of telling the Old Boys something of conditions at the School, and expressed a hope that the Old Boys Association would continue to flourish, as it has done since its reorganization.

The Head in replying stated that he was always pleased to be with his Old Boys on the occasion of their annual dinner, and to renew old acquaintances. He asked that the school should not be forgotten when parents were discussing the educations of their sons; and added that, on these occasions the recommendations of an Old Boy carry much weight.

Allan Code, who always comes down from Perth for our dinner, in a short speech, stated that an Ashburian learned to "play the Game" and that this was an essential part of the education of all boys.

During the remainder of the evening we were entertained by selections on the accordion by Professor Marazza. The evening was voted by all a great success.

---

### COMMITTEE OF THE ASHBURY COLLEGE OLD BOYS ASSOCIATION 1932-33.

President: J. W. Ritchie  
Secretary Treasurer: C. J. G. Molson  
Committee Members: T. W. Lyman  
H. S. Bogert  
Eric Beardmore  
S. F. H. Lane  
Shirley Woods, Ottawa  
Gordon T. Southam, Ottawa  
J. Armstrong, Toronto.

## BRANCH OF OLD BOYS' ASSOCIATION TO BE ESTABLISHED IN TORONTO

Thanks very largely to the efforts of James Armstrong (Dec., 1914-June, 1918) about twenty Old Boys met together on the evening of May 14th at a dinner held at the University Club, Toronto, and a Toronto Branch of the Ashbury Old Boys' Association was inaugurated. The Head, who was the guest of honour, received a most enthusiastic greeting from his Old Boys, some of whom he had not seen for a great number of years. At a short business meeting held after the dinner, J. P. Armstrong was elected President, and Harry Tamplet, Secretary, and the following as members of the Committee: Laurence Jackson, E. P. Taylor, E. T. C. Orde and C. A. Thorburn. The Head in his address gave a short résumé of the history of the School and of its success both in University examinations and in the various Sports.

A most enjoyable evening was spent and it is expected that at the next Annual Dinner of this Branch of the O. B. A. a much larger number will be present.

Some thirty-five Old Boys have been located as at present living in Toronto and its vicinity, and any Old Boy in this district with whom contact has not as yet been established is asked to send his name and address to Harry Tamplet, Secretary of the Toronto Branch of the Ashbury Old Boys' Association, 34 King St., Toronto.

---

## CONTEMPORARIES

We acknowledge with thanks the following:—The Albanian, The Marlburian, The Meteor, The St. Andrew's College Review, The Tonbridgian, The Trinity College School Review and The Trinity University Review; The Upper Canada College Times, The Collegian, Wanganui, New Zealand; The Mitre, The High School Magazine of Quebec; Selwyn House School Magazine, St. Thomas' College Magazine, Ceylon; St. Helen's School Magazine, Dunham; The Samara, Elmwood; The Tower, The Oracle, The Blue and White, Trafalgar Echoes, The Lantern, The Grove Chronicle, King's Hall Magazine, The Tallow Dip, The Windsorian, The Westmount High School Annual.

## THE LITERARY AND DRAMATIC SOCIETY

The third annual production of the Literary and Dramatic Society was staged, as in past years, at the Little Theatre. On Friday, March 11th, a Special Matinée was given, which His Excellency the Governor General honoured by his presence. The regular evening performance took place on March 12th. There was a good attendance at both performances, but the sale of tickets was not as large as we had hoped. There are certain fixed and essential expenses which cannot be avoided, and the Society relies entirely on the sale of tickets to meet these. So far expenses have been covered, but the net result does not leave any surplus to offset a lean year.

The Play itself calls for little comment. It is a pity that His Excellency was unable to attend the evening performance, as this was considered, by those who have witnessed all the performances of the Society, the best we have done so far. In every case the parts were well known, and, for the most part, well acted. Calder was undoubtedly the outstanding success; his portrayal of Shylock was exceptional and elicited the very warm approval of both audiences. H. Southam, as Gratiano, showed distinct histrionic ability, and the female parts taken by O. Whitby, Sharp, Stevenson and G. Ferguson were well sustained throughout, especially the very exacting role of Portia.

C. Southam recited the Prologue, specially written for the occasion by the Producer, Mr. C. W. Thompson.

As usual the staging was as nearly Shakespearian as possible; but the custom of former years was adhered to in the matter of costumes which were appropriately sixteenth century Venetian in design.

It will not be out of place here to draw the attention of our readers to the fact that all rehearsing, with the exception of the final dress rehearsal, was done out of school hours—a point which shows clearly the keenness and interest of all those who took part; in fact there were not parts for all those who came up for voice trials and spent time in preliminary rehearsals.

Miss Edwards gave valuable assistance in making up, particularly the female characters, and in accompanying the song and playing the music in the casket scene—for all of which help we offer our most sincere thanks. Mr. Crowson and his class made period caskets, and the art work on these and other stage properties was effectively carried out by H. Thomson. The furnishings, though few, were rich and in keeping with the period; they were lent by Stewart & Co. and added greatly to the attractiveness of an otherwise plain stage.

Early in April the Company held their annual dinner at the Chateau Laurier, and afterwards attended a 'movie'.

At the beginning of this term a meeting was held to approve some alterations and additions to the existing constitution and rules. The same meeting elected C. Southam, President of the Society, vice Mr. C. W. Thompson, resigned.

### A CRITICISM BY MR. E. W. DEVLIN

Shakespear is more alive to-day, in two senses of the word, than most modern dramatists! This being so, it is a great pity that the people of Canada have had so little opportunity to see him on the stage, where, despite the opinions of pedants, he is at his best.

For that reason I am in great sympathy with the undertaking of the Ashbury College Literary and Dramatic Society to present one of his plays each year. This year the play was "The Merchant of Venice."

The simplicity of the settings was a very virtuous necessity; and the scenes before the curtain proved beyond a doubt that Shakespear is not improved by the use of elaborately realistic scenery. His words impart reality to both actor and setting, while the reverse is true of most other playwrights. The scenes in Portia's house, while conceding more to naturalism, were made very beautiful by the placing of period furniture and richly coloured costumes against black curtains.

G. Wodehouse as the Prince of Morocco invested his role with great dignity and reserve. His indefinite movements while speculating on the caskets detracted from the effectiveness of his speech; otherwise his movements were very good. N. Spence presented a sprightly and slightly florid Prince of Arragon, which was just as it should have been. C. Southam as Antonio looked well, bore himself with ease, but did not make as much of the part as he might have done. J. Magor as Bassanio was excellent in presence and bearing, but his playing lacked flexibility and incisiveness. H. Southam played Gratiano lightly, with exactly the right touch of flippancy. J. Sharp was very good as Nerissa and in the trial scene was uncommonly successful in portraying a girl disguised as a boy; a difficult task, and well done.

I have reserved for the last the two characters that were at once the best and the most difficult—Portia and Shylock. O. Whitby played the Lady of Belmont with a grace and a sureness most unusual, considering both the nature of his part and the difficulties of the role itself. His make-up and gestures were excellent; he delivered his lines in a quiet voice, yet every word was distinct; and he sustained even the longest speeches, giving them conviction and grace; his whole performance shewed the results of careful study and delicate appreciation of the part.

J. Calder played the awe-inspiring part of Shylock remarkably well. It was the old, twisted, vengeful Shylock that he presented; and while my conception of the part includes neither such decrepitude nor such blood-thirstiness as are commonly attributed to the Jew, yet the character allows of so many interpretations, that no two conceptions can be alike, and any one is as good as another. Calder gave a completely convincing performance, admirably restrained, with the single exception of the oft-repeated "Three thousand ducats." There is a great temptation to make Shylock cringe, snarl, rant and rave, which was in this case successfully resisted. Although we saw an old, embittered man, with hatred of

Christians twisting his face and giving virulence to his speech, yet we never lost sight of a character that is essentially noble. Shylock was a wealthy Jew of high rank; if his talk was so much of money, that is because money was his trade. That he had tender and sensitive feelings we know—from his replies to the taunts of Antonio and Bassanio (who appear very ignoble in their scenes with him)—and in his references to his wife Leah and to his daughter. This Calder made plain; and he handled the old man's momentary triumph and subsequent disgrace in the courtroom with skill. His movements and the use of his hands were particularly good; and the Hebraisms in his speech were not overdone. A fine performance.

---

“Strong men do things;  
Weak men talk about them.”

---

“Men do less than they ought, unless they do all they can.”

---

“Success is not an accident. It comes to the man who does his work a little better than the other fellow.”

---

“The greatest mistake you can make in this life is to be continually fearing you will make one.”

---

“A Friendly act,  
A kindly smile,  
A helpful word  
And Life's worth while.”

---

“When there is nothing more to be said, some fool always says it.”

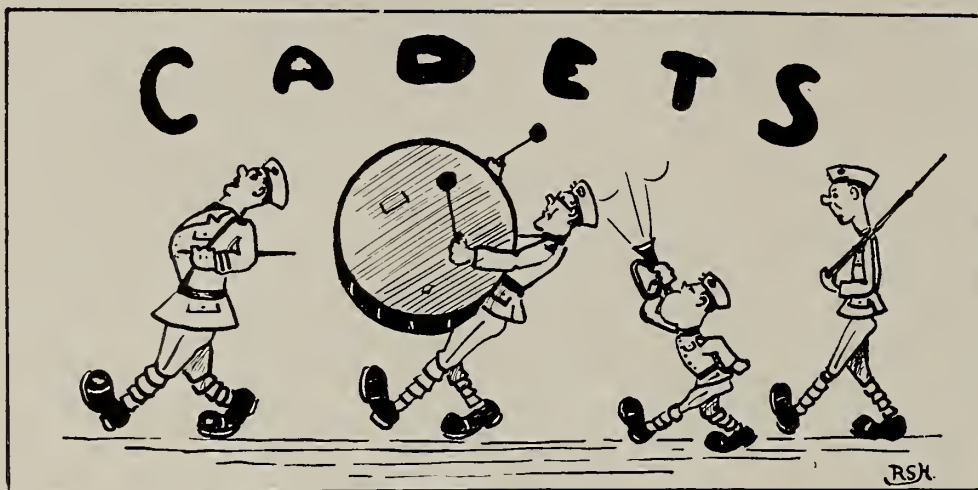

---

“It is always better to be silent and be thought a fool than to open your mouth and remove all doubt about it.”

---

“If you want work well done, select a busy man—the other kind has no time.”

### THE CADET CORPS INSPECTION AND DISPLAY OF GYMNASTIC TRAINING.

The above events were held on May 5th, in bright but cool weather. The Corps was inspected by Major-General A. H. Bell, C.M.G., D.S.O., assisted by Col. W. G. Beeman, D.S.O., and Capt. M. Isbester. At the saluting base were Lieut.-Col. S. H. Hill, and Sergt.-Major Stone. Lieut.-Col. R. M. Courtney was among the visitors.

Under Company Leader N. Gillies the events were carried out with marked precision and much applause greeted the Cadets at the conclusion. The Platoon winning the Woods Cup (No. 2) was under Platoon Leader D. Fauquier, No. 1 being commanded by R. Stanfield.

The Corps Band, under J. Allen, deserves a special word of praise for its very fine efforts.

At 3.30 p.m. the Gymnastic Display was given, first by the Juniors followed by the Seniors. The Connaught Cup was won by R. L. Stanfield.

The presentation of the prizes was made by Mrs. W. H. Rowley, who was assisted by the Headmaster and Sergt.-Major F. W. Stone.

The following boys received prizes:—

O'Connor Cup—

R. Coristine.

Scott Cup—

R. Davidson.

Cox Cup—

A. Powell.

Humphry Cup—

D. Ghent.

Highest aggregate medal in the D.C.R.A. Competition—

R. Coristine.

Second Class Medal in the D.C.R.A. Competition—

R. Davidson.

District Cadet Officers silver medal for obtaining the highest aggregate score in the Laura Secord match—

D. C. Southam.

Winning platoon in the Woods Cup competition (platoon drill)

Platoon No. 2, Commander D. Fauquier.

Senior cross country race—

J. Allen.

Junior cross country race—

J. Weldon.

For completing the senior cross-country race in the fastest time—

J. Allen.

For completing the junior cross country race in the fastest time—

J. Weldon.

Senior skiing competition—

C. D. Thompson.

Following the presentation of prizes, the guests were entertained to tea by the Headmaster and Mrs. Woollcombe.

Sergt-Major F. W. Stone was warmly congratulated at the conclusion of the Inspection on the splendid manner in which he had trained the corps in their military tactics.

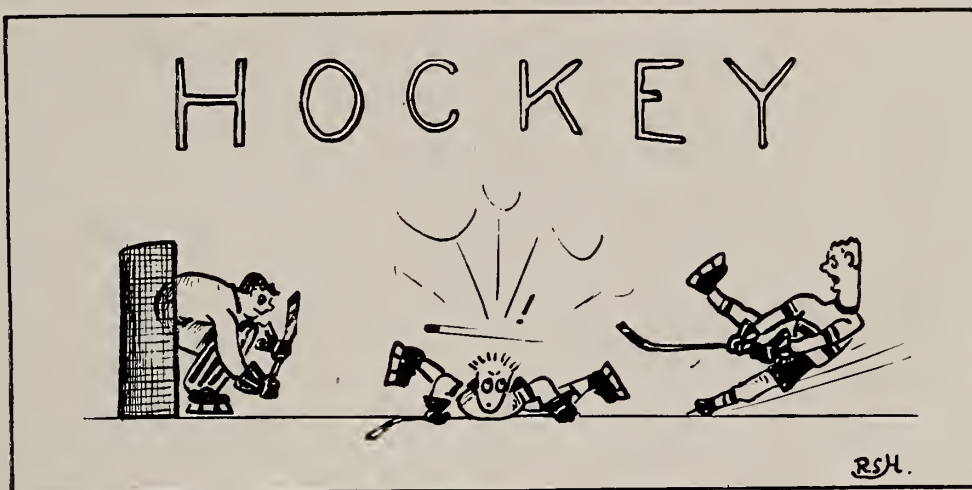

SENIOR HOCKEY TEAM. 1931—1932.

D. Fauquier. F. E. B. Whitfield, Esq. G. MacCarthy. F. Heubach. E. R. Allen.  
 J. McGuckin. R. Stanfield. L. R. Thomas (capt.). J. B. Allen.  
 G. Stanfield. J. Symington. T. W. Beauchlerk. J. Galt. R. Coristine.

### HOCKEY

Again we are able to record a most successful season, and there is no doubt that the high standard, which has prevailed for some years now, is being well maintained. Two old "Colours" were left, but there was a number of recruits available, and they were gradually welded into a really sound combination. The team showed promise from the first but were a little slow in striking their best form, and it was rather unfortunate that sickness necessitated the scratching of one or two school games at the end of the term, when the team was playing with marked ability.

We were very fortunate this season in securing the services of Jack Dunn as coach. His enthusiasm and ability were very infectious, and he succeeded in getting a marked response from the team.

This year the Old Boys' Association very generously provided a cup for competition between Bishop's College School, Lower Canada College and ourselves.

For the first time two fixtures were arranged with Bishop's College School, one in Lennoxville and the other in Ottawa. This is a welcome improvement on the arrangement of previous years by which one game was played in Montreal, and it is to be hoped that this will become an established practice. As Lower Canada could only play one game this year with each of the other two schools, we tossed with Bishop's to decide which game was to count for the cup. Fortunately we won the toss so the game in Ottawa counted. We were beaten 4-2 at Lennoxville, on very heavy ice, which was somewhat of a handicap. The return game in Ottawa resulted in a tie, but Ashbury showed better staying power in the overtime periods and put on three goals without response. We beat Lower Canada in Montreal, 2-0, and so won the Cup in the first year of its history.

We brought our school matches to a close by defeating Westmount High School at the Auditorium 4 - 3, and this was the team's best performance of the season. Our opponents were again winners of the Interscholastic League in Montreal.

Heubach was very efficient as manager and set a high standard in everything that he did.

The following were awarded their colours:—

L. R. Thomas (capt.), J. B. Allen, T. W. Beauclerk, R. L. Stanfield, D. Fauquier, J. Symington, R. W. Coristine, E. R. Allen.

### HOCKEY CHARACTERS

- L. R. Thomas. Captain. R. Wing. 3rd year on the team. An excellent captain who always gave of his best in the interests of the side. Very hard worker, though rather slow. An excellent shot.
- J. B. Allen. Vice-captain. R. Defence. 2nd year on the team. Good puck carrier, but apt to overdo his attempts to split the defence. Should learn to use his body more effectively. Fast skater and accurate shot.
- T. W. Beauclerk. Goal. 1st year on the team. A really sound goalkeeper, who was at times brilliant.
- R. L. Stanfield. L. Defence. 1st year on the team. Sound defence man with an excellent knowledge of the game. Although handicapped by lack of weight and speed, he used his head well. A most unselfish player.
- D. Fauquier. R. Wing. 2nd year on the team. Has a good shot and checks well. Inclined to be lazy.
- J. Symington. Centre. 1st year on the team. Beautiful stick handler, with a very sure shot. Has an excellent poke check, but should remember to pass more often.
- R. W. Coristine. L. Wing. 2nd year on the team. Played hard and covered his man well. A good though sometimes erratic shot.
- E. R. Allen. L. Wing. 1st year on the team. A good stick handler with a hard and accurate shot. Could pay more attention to his cover. Inclined to forget that there are others who might score.
- J. McGuckin. Defence. 1st year on the team. Improved considerably since last year. A difficult man to pass and a good puck carrier.

J. G. MacCarthy. Centre. 1st year on the team. A neat skater with some ability to slip through the defence. Good check.

G. Stanfield. Centre. 1st year on the team. Shows considerable promise. Good stickhandler who knows when to pass. Checks well.

J. S. Galt. L. Wing. 1st year on the team. Useful in any position. Good stickhandler who should be valuable next year.

F.E.B.W.

### SCHEDULE OF RESULTS

Date	Opponent	Result	Goals	
			For	Against
Nov. 26	B. Gilmour's VI	Won	4	1
Dec. 6	Bank of Montreal	Tie	2	2
Jan. 18	R. Winter's VI	Won	2	1
" 25	Bank of Montreal	Won	5	0
" 28	B. Gilmour's VI	Lost	1	2

" 14	Bank of Montreal	Won	2	1

Played 17; Won 11; Lost 5; Drawn 1.

Goals for 46; goals against 30.

### ASHBURY vs. BISHOP'S COLLEGE SCHOOL

Played at Lennoxville, Saturday, February 13th.

Lost 2 - 4.

The game was played on natural ice, which was rather heavy owing to the thaw.

Three twenty minute periods were played.

Bishop's settled down at once to a strong game and seemed to adapt themselves much better to the condition of the ice. They set up several strong attacks and a shot from just inside the blue

line went into the corner of the net. Ashbury made several determined attempts to get on terms, but most of their attacks were broken up at centre ice by Grant, who was using his poke check with great effect. Bishop's came down the ice with a good passing run and one of their forwards beat Beauclerk from close in. Some give and take play followed, and then Thomas slipped his man on the right wing and as he reached the blue line shot for the corner of the net, beating the goalkeeper with the pace of his shot. Ashbury kept up the pressure and some few minutes later E. Allen followed in and secured his rebound as the goalkeeper fell, shooting over his back into the net. The period ended with the score tied.

The second period opened quietly but Bishop's soon set up a strong attack; there was some loose marking near goal and Bishop's scored twice in quick succession. Ashbury made determined efforts to reduce the deficit, but they were stopped by Grant, who broke up attack after attack in centre ice. The period ended with Bishop's leading 4 - 2.

The third period was scoreless, but produced some fast and interesting hockey. The ice had improved since the beginning of the game and this tended to speed up the play. Ashbury made strenuous efforts to score but could not penetrate the defence and time was called with Bishop's winners of an interesting game, 4 - 2.

Ashbury :—

Goal—Beauclerk.

Defence—J. Allen, R. Stanfield.

Centre—MacCarthy.

Wings—Fauquier, Coristine.

Spares—Thomas, McGuckin, E. Allen, G. Stanfield.

## ASHBURY vs. BISHOP'S COLLEGE SCHOOL

Played at the Auditorium, Monday, February 22nd.

Won 6 - 3.

Three twenty minute periods were played.

The game was very even at first, and both goalkeepers were well tested. Some ten minutes after the start, the Bishop's forwards came away in a good combined movement; the puck was passed to Glass who scored with a hard shot from the left wing. Ashbury made strenuous efforts to equalise but Grant was once more checking very effectively at centre ice and for some time was chiefly instrumental in holding the Ashbury forwards in check. With four minutes of the period left, the puck was passed to Coris-

tine just outside of the blue line; he stickhandled his way through the defence, was partially checked, but recovered and went right in to tie the score with a shot into the left corner of the net. The period ended shortly afterwards with the score 1 - 1.

Ashbury attacked as soon as the game was restarted and Thomas hit the post with a hard drive. Bishop's soon retaliated and some loose work by the defence near goal left Glass with the puck, and he had no difficulty in putting his side ahead. Five minutes later there was a melee close to the boards inside our blue line from which Grant emerged with the puck; he eluded the defence and put Bishop's further ahead with a shot that gave Beauclerk no chance. The next few minutes were very exciting as Ashbury made attack after attack in an effort to reduce the deficit. They met with no success until three minutes before the bell, when Coristine received a pass from MacCarthy close in and scored his second goal. The period ended with Ashbury behind, 2 - 3.

The third period witnessed some even hockey, but the pace had grown appreciably slower; neither side seemed able to keep up the speed of the two opening periods, but it looked as if Ashbury were lasting rather better. About half way through the period, Symington was given the puck just over the half way line; he passed one man and as he passed him shot hard for the corner of the net. The goalkeeper had no chance and it is doubtful if he even saw the puck. It was an excellent piece of opportunism. Both sides worked hard for a deciding goal but the period ended with the score tied 3 - 3.

It was decided to play two extra periods of five minutes each. Ashbury went off with a rush and now fully had the measure of their opponents. Their forwards swept down the ice in attack after attack, and soon went ahead. Thomas and E. Allen took the puck right down the ice in a good passing movement and Allen had no difficulty in scoring. From the face off the Ashbury forwards came right away and though they were held off for a few minutes, they were not to be denied. Again they came down the ice, passing the puck with a speed that seemed to baffle the defence; the final pass left G. Stanfield in possession a few yards out and he gave the goal keeper no chance. The period then ended with Ashbury leading 5 - 3.

The second overtime period opened with Bishop's sending four men up the ice in a desperate attempt to score, but all their efforts were held off by the Ashbury defence. Ashbury continued to have rather the better of the play and another combined rush by the forwards gave Symington a chance of which he availed himself by shooting into the corner of the net. The end soon came with Ashbury victorious, 6- 3, in a hard fought and always interesting game.

Ashbury :—

Goal—Beauclerk.

Defence—J. Allen, R. Stanfield.

Centre—G. Stanfield.

Wings—Thomas, E. Allen.

Spares—Fauquier, MacCarthy, Coristine, McGuckin, Symington, Galt.

### ASHBURY vs. LOWER CANADA COLLEGE

Played at the Forum, Montreal, Monday, February 29th.

Won 2 - 0.

Three fifteen minute periods were played.

The first period did not produce very good hockey. Play was very scrappy for some time and both sides seemed a little more anxious to play the man rather than the puck. Ashbury did more than their share of the attacking but their combination was not so good as usual, and there were too many individual attempts to split the defence. The period was scoreless, 0 - 0.

Ashbury attacked strongly at the opening of the second period, but some bad passing among the forwards and close checking by the Lower Canada defence prevented any scoring. Lower Canada made one or two sporadic raids and twice got right in but Beauclerk was very safe in goal. Towards the end of the period the Ashbury forwards began to improve their combination, and after R. Stanfield had led two raids which looked promising, the forwards broke away together in a good passing movement; Symington shot for the corner, secured his own rebound, then delaying his shot for a second or so, scored a clever goal. The period ended with the score 1 - 0 in favour of Ashbury.

Lower Canada attacked strongly on the resumption of play but the Ashbury defence held them at bay, although some loose work near goal gave Lower Canada an opportunity of which they did not avail themselves. About midway through the period Ashbury delivered several determined attacks and one passing run among the forwards sent the puck to Thomas, who made no mistake with his shot, putting Ashbury further ahead. In the last few minutes of the game the Lower Canada goal had several narrow shaves, but there was no further scoring and Ashbury was left winners of a rather scrappy game, 2 - 0.

Ashbury :—

Goal—Beauclerk.

Defence—J. Allen, R. Stanfield.

Centre—Symington.

Wings—Fauquier, Coristine.

Spares—Thomas, G. Stanfield, E. Allen, Gillies.

## ASHBURY vs. WESTMOUNT HIGH SCHOOL

Played at the Auditorium, Saturday, March 5th.

Won 4 - 3.

Three fifteen minute periods were played.

The first period produced some very good hockey; the game was played at a fast pace and both defences were hard put to it to keep their goals intact. Five minutes after the start a splendid movement by the Westmount forwards took them through the defence and their left wing scored with a well directed shot. Ashbury played up strongly and several good combined movements threatened danger, but their shooting was a little wild. Three minutes before the bell R. Stanfield secured the puck behind his own net, stickhandled his way through the defence and gave Symington a perfect pass. The latter went right in and tied the score with a good shot. The period ended with the score tied, 1 - 1.

Ashbury attacked on the resumption and Thomas hit the post; G. Stanfield secured the rebound but the goal keeper managed to save his net by falling on the puck. Ashbury made several more attacks in close succession, but did not succeed in scoring. Then the game suddenly changed and for the next seven minutes Westmount held the upper hand. They swept down the ice, using their combination and speed to great effect, and put on two further goals in as many minutes. The adverse score did not seem to affect the Ashbury side as they fought back well, and just before the period ended Symington took a pass, beat two men and scored a good goal. The period ended with Ashbury still a goal down, 2 - 3.

Again Ashbury started the period with a strong attack, but lost the puck behind the Westmount net; one of their defence men took it up the ice and broke right through but Beauclerk effected a great save. The play was rather quiet for a few moments after that, but Ashbury soon got going with another passing movement and Thomas sent the puck across to E. Allen, who had no difficulty in tying the score. Ashbury played up hard and after several futile attacks Symington secured the puck, went clean through the defence, and put Ashbury ahead for the first time. The last few minutes were very exciting, but there was no further scoring and Ashbury were left winners of a splendidly contested game, 4-3.

Ashbury :—

Goal—Beauclerk.

Defence—J. Allen, R. Stanfield.

Centre—G. Stanfield.

Wings—Thomas, E. Allen.

Spares—Fauquier, Symington, MacCarthy, Galt, Gillies.  
F.E.B.W.

## SECOND TEAM

The School played S. Alban's First VI at Bockville on February 16th, and a well contested game resulted in a win for Ashbury 2 - 1. Unfortunately illness prevented the return game being played at Ottawa. McGuckin scored both goals for Ashbury.

The following represented Ashbury:—

Goal—Boyd.

Defence—McGuckin; Rowley.

Centre—Stanfield II.

Wings—Symington; Galt I.

Spares—Thompson I; Gillies; Calder.

## THIRD TEAM

The School played S. Alban's 2nd VI at Brockville on February 16th, immediately after the conclusion of the 2nd Team game. The match was well contested but Ashbury showed rather more finish and eventually won 3 - 1.

The following represented Ashbury:—

Goal—Ferguson I.

Defence—Vickers; Wilson I.

Centre—MacBrien.

Wings—Fullerton; Powell.

Spares—Cooke; Smith; Hyman; Little.

F.E.B.W.

## JUNIOR HOCKEY

Under 15 vs. Selwyn House. Played at the Coliseum, Montreal, on Tuesday, Feb. 23rd. Lost, 3-1.

Again we were handicapped by the size of the huge rink and also by lack of practice together as a team. There was very little puck control and far too many quite ineffectual long shots. Powell scored our one goal. Davidson was very good and MacBrien worked hard. Lawson, Sharp and Ferguson II showed much promise. The Selwyn House Team played sound Hockey, with excellent combination in the Forward line.

Team—Davidson II; Kirkpatrick, (Capt.); Ferguson II; Powell, MacBrien, Lawson. Spares:—Whitby, McCormick, Sharp, Yuile.

Mr. Pattisson refereed.

The return match was played at the Auditorium, Ottawa, on Saturday, March 19th. Lost, 3-2.

Team, as above, except that Stannard I and Roberts played instead of Whitby and Yuile. Powell scored the two goals for Ashbury.

B.K.T.H.

## CROSS COUNTRY RACES

The Senior and Junior races were run off on Wednesday, April 27th, rather later than usual owing to the continued cold weather.

The Seniors were started at 12 o'clock from the Elm Tree in front of the School, and the Juniors from a mark on Mariposa five minutes earlier. In each case the course followed was identical with that of the past three years, and thus a real comparison of times may be secured. This year the course was very heavy and in bad condition generally, so that it is not surprising to find that the times were considerably slower than those of last year.

One noticeable feature of this race during the past few years has been the gradually dwindling number of entries, and in view of this fact it is open to question whether the first few men home do not score a greater number of points in the inter-House Competition than the entry warrants. It is a matter to which the Games' Committee might well give their attention during the year.

Ten competitors started in the Senior Race, eight of whom finished, while six scored points for their respective houses. Allen 11, the winner, ran a well judged race. Running with a long easy stride he was well up all through the race, but did not take the lead until past the turn by the Aerodrome, when he forged in front, overtaking Thompson I, who had held the lead over the greater part of the course. Thompson stuck to him well but could make no impression and Allen spurred in a winner by some 300 yards. Thompson, Calder, Snell, Park and Sherwood all scored points for their houses. Mention should be made of Park's running. He started at scratch, over a minute behind the man immediately in front of him, but ran strongly all through and overhauled all but the first four, finishing the course a little over a minute behind the winner. Allen II also won the medal for the fastest scratch time.

The Junior race was won by Weldon and this was distinctly a meritorious performance, as he started last. Settling down at once to a long raking stride he judged the race well and, gradually overhauling each man, took the lead about a mile from home, and refusing to be hustled, romped in 150 yards ahead of Powell, last year's winner. He also won the medal for the fastest scratch time. Eight started and all finished, seven of them scoring points, which was a most creditable performance.

## SENIOR RACE

	Actual Time.	Handicap.	Elapsed Time.	Place
Allen II -----	31.45	0.57	30.48	1
Thompson I -----	32.13	0.42	31.31	2
Calder -----	32.44	1.12	31.32	3
Snell -----	32.53	1.09	31.44	4
Park -----	34.57	2.24	32.33	5
Sherwood -----	35.07	1.39	33.28	6

Wilson I and Smith also completed the course.

## JUNIOR RACE

Tennis -----	—	—	—
Cricket -----	—	—	—

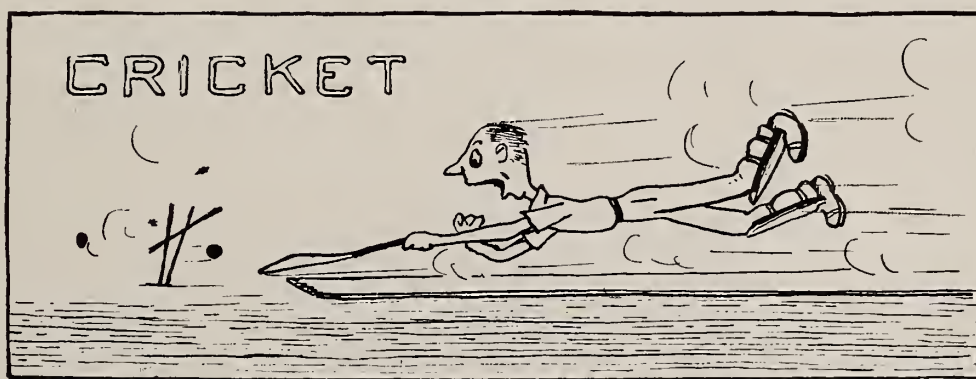

## SKI-ING

The cross country races were held on February 24th.

The senior race started as usual from the hut near Pink Lake and ended on the edge of the hill overlooking Fairy Lake. The juniors also covered the same course as last year, finishing up at the Senior winning post. The Senior Race was again won by Thompson 1, who ski-ed very well. The Junior race went to L. Snelling.

The Jumping Competition was held on a built up jump at Rockliffe this year and proved very close. MacBrien was the ultimate winner with Thompson I a very good second. The ski-ing cup was won by Thompson.

The weather again precluded any attempt to hold the turning competition.  
F.E.B.W.

### CRICKET 1932.

Old Colours: N. B. Gillies, T. W. Beauclerk, D. Fauquier.

Gillies was elected Captain and Beauclerk Vice-captain.

We have lost most of last season's team but there are a number of candidates for the vacant places and we hope to be able to place a sound XI in the field by the time that the School games come round.

### ASHBURY vs. OTTAWA C.C.

Played at Ashbury on April 23rd. Won by 90 runs.

8th ANNUAL BOXING TOURNAMENT

There was a large number of visitors present, amongst whom we were delighted to see Mr. Alfred B. Evans, who has been Governor of Ashbury for many years. Some excellent Boxing was witnessed and the standard was undoubtedly above that of previous occasions. We congratulate the Winners (and Losers). The Headmaster spoke at the conclusion of the programme and Mr. Evans delighted us all by asking for a whole Holiday, which the Headmaster said he would be happy to grant, by adding an extra day to the Easter Vacation.

Refreshments were afterwards served in the Dining Hall.

## OFFICIALS

Referee	- - - - -	George E. Glossop, Esq.
Judges	- - - - -	{ W. M. Anderson, Esq. W. Campbell, Esq.
Time Keeper	- - - - -	W. H. Brodie, Esq.
Official Recorder	- - - - -	F. E. B. Whitfield, Esq.
M. C.	- - - - -	Sergt.-Major F.W. Stone.

## RESULTS

## JUNIOR SCHOOL

- 1.—Final Junior Lightweight.  
Barott beat Grant.
- 2.—Final Junior Heavyweight.  
Magor II. beat Snelling.

## UPPER SCHOOL

- 3.—Semi-Final Intermediate Heavyweight.  
Symington beat Stannard I.
  - 4.—Semi-Final Intermediate Heavyweight.  
Allen III. beat Heuser II.
  - 5.—Final Intermediate Lightweight.  
MacBrien beat Davidson II.
  - 6.—Final Intermediate Middleweight.  
Fullerton beat Black.
  - 7.—Final Intermediate Heavyweight.  
Symington beat Allen III.
  - 8.—Final Senior Lightweight.  
Fauquier I. beat Wodehouse.
  - 9.—Final Senior Heavyweight.  
Heubach beat Park.
- Symington was awarded the prize for Ring-craft.

## SPORTS

The Athletic Sports were held this year on May 24th, instead of on Closing Day, as has been the custom for some years past.

After a somewhat threatening morning, we were favoured with ideal weather, which enabled us to have the Prize giving on the front lawn. The meeting was a very enjoyable one for all concerned and we had the usual muster of Old Boys whom we are very glad to welcome on this, as on other occasions.

One record was broken this year, that for the Long Jump, and J. B. Allen is to be congratulated on his performance, and we hope that next year he will go even better and improve on his own record. It was fitting that the record should be broken by him as he also succeeded in winning the Senior Challenge Cup, the Fleming, by a large margin. T. Cooke also succeeded in equalling the record for the Intermediate Hurdles. The Intermediate Challenge Cup, the Stanley Wright, went to E. R. Allen. The Aylwin Cup, awarded to the winner of the Junior Championship was this year confined to the Junior School, and was won easily by L. Magor, who shows great promise as an athlete.

This year the Mile was revived after a lapse of many years and will now, it is hoped, be an annual event. Several events, which had been previously run on a handicap, were thrown open for the first time. This is undoubtedly a good thing as it makes the competition for the Championships much more open. In addition there were several new events both for Intermediates and the Junior School.

## SENIOR SPORTS

100 Yards	J. B. Allen	11".
440 Yards	D. Thompson	59 4/5".

### WISE AND OTHERWISE

"I've added those figures ten times Sir."

"Good."

"And here are the ten answers."

"You don't know when the Seven Years' War began?"

"No, but I know how long it lasted."

The farmer met one of his new employes coming towards the house in a dripping condition.

"Say, Bill, he asked, "what have you been doing?"

"Oh," was the reply, "I've just been having a game of Cricket with the old bull by the pond. I won the toss and went in first."

They gave the Duke of Wellington a lovely funeral. It took six men to carry the beer.

King John ground the people down under heavy taxes.

---

Crematorium—French for a dairy.

---

The Gorgons were three sisters that lived in the islands of Hesperides somewhere in the Indian Ocean. They had long snakes for hair, tusks for teeth, and claws for nails, and they looked like women, only more horrible.

---

The steam hammer punches holes in ships by steam.

---

Sentiment is the mud brought down by a river.

---

There were no Chrisians among the early Gauls; they were mostly lawyers.

---

"My punishment is greater than I can bear," was said by Agag when Samuel was hewing him in pieces.

---

The Chiltern Hundreds are the things you see with a miscroscope in a cheese.

---

In the eighteenth century travelling was very romantic; most of the highroads were only bridal paths.

---

An herbaceous border is a lodger who does not eat meat.

---

Oliver Cromwell had an iron will and a large red nose, but underneath were deep religious feelings.

---

The home of the swallow is the stomach.  
LXXX, means "Love and Kisses."

---

The mineral wealth of a country is ginger beer and lemonade.

---

A problem is a figure which you do things with which are absurd, and then you prove it.

Air usually has no weight, but when placed in a barometer a square inch of it is found to weigh about fifteen pounds.

---

*Genae puellae formosae sunt*—Beautiful girls are cheeky.  
*Il ne faisait rien sans but*—He did nothing without a drink.

---

### ALGEBRAICAL LOVE

A. drives a car at speed V. If V. exceeds a certain amount the factor P.C. comes in. To restore positive value to V., P.C. must be squared, but if this is not done term J.P. has to be dealt with. It is now impossible to restore positive value to V. because J.P. cannot be squared.
